MEMORANDUM

DATE: 02/03/2023
TO: Chief Jeff Hartman
FROM: Capt. Tim Koncki
SUBJECT: Police Vehicle Purchase

Each budget year the Police Department evaluates the need to replace aging fleet vehicles. These decisions are based upon current condition, odometer readings and age of the vehicle.

Based on the above criteria and to follow a planned budgetary purchase, I recommend the replacement of fleet Vehicle 2425, a 12-year-old unmarked 2011 Chevrolet Impala, with odometer mileage 57,965 currently assigned to the Investigations Division.

Budget and Recommendation for Replacement Vehicles

In the Capital Equipment Account #02-61-71-9516, the City budgeted \$42,000 for the purchase of one (1) Investigation's sport utility vehicle. The recommendation to purchase an SUV is based on the need for a reliable all-weather vehicle as well as it having the capability of handling a variety of investigative operations.

Multiple dealerships were contacted requesting information on available vehicles with little or no response. Due to very low inventory throughout the region and the short time frame in which suitable vehicles are available on the lot, we request that an emergency purchase process be authorized. If approved, we have reserved the purchase of a new 2022 Dodge Durango for \$41,228.00 from Corwin Dodge of Springfield. It is estimated that the 2011 Chevrolet Impala will be valued at \$5,000 when it goes to auction.
