AGENDA
PLANNING AND ZONING COMMISSION MEETING
CITY OF CREVE COEUR, MISSOURI
MONDAY, MARCH 18, 2013
7:00 PM

1. ROLL CALL

Mr. Michael Barton
Mr. Gary Eberhardt
Mr. James Faron
Mr. Ken Howard
Ms. Cynthia Kramer
Mr. Tim Madden
Mr. Jim Schnarr
Mr. Carl Lumley, City Attorney
Mr. Paul Langdon, AICP, Director of Community Development
Ms. Whitney Kelly, AICP, City Planner
Ms. Julie Lowery, Recording Secretary

Pursuant to Section 610.022 RSMO, the Planning and Zoning Commission could, at any time during the meeting, vote to close the public meeting and move to closed session to discuss matters relating to litigation, legal actions and/or communications from the City Attorney as provided under Section 610.021(1) RSMo. and/or personnel matters under Section 610.021(13) RSMo. and/or employee matters under Section 610.021(3) RSMo. and/or real estate matters under Section 610.021(2) or other matters as permitted by Chapter 610.

Reports, documents, plans, and related materials are available for examination at the Creve Coeur Government Center, 300 North New Ballas Road, prior to the meeting.

Special disabled service may be arranged by contacting the Office of the City Administrator in advance.

2. ADDITIONS TO – ACCEPTANCE OF THE AGENDA

3. APPROVAL OF MINUTES

A. Draft minutes of the February 19th meeting.

4. PUBLIC COMMENT

An opportunity for members of the public to address the Planning and Zoning Commission regarding issues or concerns not already on the agenda for this meeting. Those wishing to speak will be asked to limit comments to three minutes and to complete a speaker card.

5. **UNFINISHED BUSINESS**

- A. Application #13-004: Request to amend various sections of the Zoning Code to convert the naming and definitions of all permitted and conditional uses in the Zoning Code from the 1987 Standard Industrial Classification (SIC) system to the 2012 North American Industrial Classification System (NAICS), along with changes in status for certain uses resulting from the conversion.**

Applicant/Agent: Paul Langdon, AICP

**CITY OF CREVE COEUR - MINUTES
PLANNING AND ZONING COMMISSION MEETING
TUESDAY, FEBRUARY 19, 2013
7:00 P.M.**

A public hearing and regular meeting of the Planning and Zoning Commission of the City of Creve Coeur, Missouri was held on Tuesday, February 19, 2013, at the Creve Coeur Government Center, 300 North New Ballas Road. Chair Tim Madden called the meeting to order at 7:00 p.m.

MEMBERS PRESENT: *Mr. Tim Madden, Chair*
 Mr. James Faron
 Mr. Ken Howard
 Mr. Jim Schnarr

OTHERS PRESENT: *Mr. Carl Lumley, City Attorney*
 Mr. Paul Langdon, Director of Community Development
 Ms. Whitney Kelly, AICP, City Planner
 Ms. Julie Lowery, Recording Secretary

2. ADDITIONS TO – ACCEPTANCE OF THE AGENDA

The Agenda was accepted as written.

3. APPROVAL OF MINUTES

Draft Minutes of January 22, 2013

Mr. Schnarr moved approval of the draft minutes. Mr. Howard seconded the motion which carried unanimously.

4. PUBLIC COMMENT

None

5. UNFINISHED BUSINESS

A. Application #13-002: Request for approval of a boundary adjustment plat for 605-633 Emerson Road.

Applicant/Agent: Greg S. Yawitz
633 Emerson Medical Partners, LLC
9200 Olive Blvd., Suite 200
Olivette, MO 63132

Property Owner: Creve Coeur Medical Enterprises LLC
605 Emerson Road, Creve Coeur, MO 63141

Mr. Greg Yawitz, 6 Heather Hill Lane, Olivette, MO, explained to the Commission that he is seeking approval of a boundary adjustment to consolidate the parking lot at 605 Emerson Road with the property at 633 Emerson Road thereby eliminating Ewen Road - a private street. The total site will be 3.66 acres. Mr. Yawitz also indicated that he was aware of a request by the City that he dedicate a small portion of the southeast corner of the lot for construction of a roundabout and that he was fine with the dedication.

Ms. Whitney Kelly, City Planner, stated a boundary adjustment is a technical review that must be approved if it meets all of the district requirements and, in this case, it does.

Mr. Faron asked which properties were included in the request. Ms. Kelly showed a scaled drawing of the properties and the private road included in the request.

Mr. Faron motioned to approve the 605-633 Emerson Road boundary adjustment attached to the staff report on application #13-002 subject to the condition that a final drawing be prepared for signature and recording that includes the dedication of right-of-way no less than that indicated on Sheet 4 of 13 of the “City of Creve Coeur Concept Plans for Proposed Emerson Road Improvements” prepared by Horner and Shifrin, Inc., and dated July 11, 2012. Mr. Schnarr seconded the motion with the resultant vote as follows:

Mr. Faron – aye
Chair – aye

Mr. Schnarr – aye

Mr. Howard – aye

6. NEW BUSINESS

A. #13-004: PUBLIC HEARING

A request to amend various sections of the Zoning Code to convert the naming and definitions of all permitted and conditional uses in the Zoning Code from the 1987 Standard Industrial Classification (SIC) system to the 2012 North American Industrial Classification System (NAICS), along with changes in status for certain uses resulting from the conversion.

Applicant/Agent: Paul Langdon, AICP
Director of Community Development

Mr. Paul Langdon, Director of Community Development, presented the Commission with the document with all the names and numbers of permitted and conditional uses identified in the Zoning Ordinance from the 1987 Standard Industry Classification system (SIC) to the 2012 North American Industry Classification System (NAICS). Mr. Langdon stated the document uses color coding and text short forms to indicate where things have changed, are brand new, or are where something got a new name and code number under the NAICS but was no different than what was currently in the SIC. Mr. Langdon explained that in “Table A”, in the draft ordinance, there are many uses that are not shown because they are not permitted in any district. Mr. Langdon also pointed out several uses in the 2007 NAICS that were consolidated into fewer 2012 NAICS uses. There are categories that have been amended based upon prior works session discussions and when staff has found inconsistencies with conditions in the field. Mr. Langdon stated there are “X”s to indicate where particular uses will no longer be allowed in a specific district, and these uses will be removed from the final ordinance to be approved.

Mr. David Caldwell, 257 Brooktrail Court, stated he thought there were a variety of permitted uses with no real character and he recommended that the Commission look at the “LI” district in the Comprehensive Plan review. Mr. Caldwell also asked about the Wholesale Trade Agents and Brokers category, explaining that the category was not clear to him. Mr. Caldwell also commented on all doctors being prohibited in the “LI” district, but lawyers and other professional offices are allowed. He specifically mentioned that Hans Weimann hair transplanting was already in the district but would apparently no longer be a permitted use. Mr. Langdon replied they have run into some coding problems where a business may actually have two NAICS codes, but will only classify under the primary function; in many instances, the wholesale trade category is applicable to a variety of businesses that trade in a variety of goods. As far as the doctors being omitted, Mr. Langdon said he is fine with leaving them in the “LI” district.

There was some more discussion around the “LI” district and its permitted uses. Mr. Howard asked Mr. Langdon to clarify the logic behind omitting the doctors from the “LI” district. Mr. Langdon explained and there was discussion about specific doctor practices in the “LI” district and whether or not medical uses should be directed toward other, more office-oriented, parts of the city. He reiterated that there did not appear to be a problem with leaving them in and the Commission members signaled their agreement.

There being no further comments, City Attorney, Mr. Carl Lumley, presented the exhibits for the record and the public hearing was closed.

(This ends the Public Hearing; see verbatim transcript for further information)

Mr. Faron motioned to continue Application #13-004 to the next Planning and Zoning meeting, March 4, 2013. Mr. Howard seconded the motion which carried unanimously.

7. WORK AGENDA

None

8. OTHER BUSINESS

A. Planning Division Report

Mr. Langdon stated that the NAICS code update will be back at the next meeting, hopefully in a form that can be voted on and forwarded to Council. Mr. Langdon also said he received good feedback from the joint work session with City Council and will be working on revising the scoping process, and he also received generally positive comments about where the Commission is with the form-based code.

B. City Attorney Report

None

9. ADJOURNMENT

There being no further business to come before the Planning and Zoning Commission, upon motion being made and duly seconded, the meeting was adjourned at 7:55 p.m.

APPLICATION TO PLANNING AND ZONING COMMISSION

#13-004 TEXT AMENDMENT TO CONVERT ALL USE REFERENCES IN THE ZONING ORDINANCE FROM SIC (1987) TO NAICS (2012).

FOR THE MEETING OF: March 18, 2013

LOCATION: City-wide

REQUEST:

An application by the Director of Community Development, on behalf of the City of Creve Coeur, has been submitted to convert the names and numbers of all the permitted and conditional uses identified in the Zoning Ordinance from the 1987 Standard Industry Classification system (SIC) to the 2012 North American Industry Classification System (NAICS).

ADDITIONAL INFORMATION:

The Zoning Ordinance refers to specific uses in various locations beyond just the listing of permitted and conditional uses. Staff have included these additional amendments as necessary, including the parking regulations. Note that every effort was made to apply the new nomenclature without changing the associated regulations.

Key Issues:

- Correct correlation between use systems
- Correction of known issues/use conflicts.

Zoning Code References

- Section 405.210, Regulation of Uses
- All by-right zoning districts (405.250 through 405.380).
- Section 405.450, Permitted Uses
- Section 405.470, Conditional Uses
- Article VII Off-Street Parking and Loading Regulations.

APPLICANT: Paul Langdon, AICP
Director of Community Development
City of Creve Coeur

ATTACHMENTS: Conversion table from 2007 NAICS to 2012 NAICS
Draft Ordinance, including Section 405, Table A, Permitted and Conditional Uses

SUMMARY OF PRIOR REVIEW

The SIC to NAICS zoning code revisions were first discussed at the July 2, 2012 Commission work session. At that time, the Commission requested to review the code changes in segments. As requested, the residential districts were reviewed on August 6th; the “HE” Higher Education, “PH” Planned Hospital, “PO” Planned Office and “RO” Research Office zoning districts were discussed on November 5th; and the “MX” Mixed Use and “PC” Planned Community zoning districts were reviewed on December 17th. The “GC” General Commercial district was reviewed January 7th and the “CB” Core Business district was reviewed on January 22nd. The “LI” Light Industrial District was the final section presented in a work session on February 4, 2013, and the public hearing on the entire amendment was held on February 19th, 2013. At the public hearing, several items requiring further investigation were identified and those are discussed below.

DISCUSSION

Medical Office Uses in the “LI” Light Industrial District

Based upon comments received during the public hearing, the Planning Commission requested that Table A be amended to show all medical offices as permitted uses in the “LI” Light Industrial District. This change has been made.

Uses with Qualifications

Business Enterprise Centers, Cemeteries (not associated with a place of worship), Drycleaners, Miscellaneous Store Retailers (formerly Retail stores not elsewhere classified), Other Personal Care Services, Pet Spas, Sexually-Oriented Businesses, Sporting Goods Stores (formerly “Miscellaneous shopping goods stores”), Used Merchandise Retailers are all listed uses in the current Zoning Code but are either listed with certain qualifications or are defined/regulated elsewhere in the Code. These qualifications have been carried over to the listing in Table A, or remain in their pre-existing location within the Zoning Code.

Certain Healthcare and Social Assistance Uses

Uses such as shelters, retreats, rehabilitation facilities, and elder care facilities were not well categorized in the SIC when compared to the current state of these industries. As a result, the Zoning Code currently contains numerous qualifications to these categories to make more clear the intentions of the City. The NAICS redefines all of the uses and breaks them into categories that can be more directly regulated based upon the interests of the City. As such, the qualifiers have been removed and each use is listed and defined (by reference) as contained in the NAICS.

Motor Vehicle Dealers

The current code contains a special extension for motor vehicle dealers of new-and-used vehicles that have lost their new car franchises. Since the NAICS does not have a unique category for “new-and-used,” but does have separate new and used categories (note that all new car dealers are assumed to have the option of also selling used cars), staff suggest that the individual conditional use permit for a given dealer be used to address this issue. That is, if a pre-existing dealership loses its new-car franchise, they will need to amend their CUP to permit the uses independently. In that process, the City will be able to apply the appropriate development conditions to the dealership to require the customary development standards, regardless of the specific type of dealership. Artificially allowing a dealership to become a used car dealership with no specific standards for justifying the continuance of their new-car CUP, appears to staff to represent a disservice to the other dealerships that are maintaining their franchises and seeking a “level playing field” with their competition. If the Commission wishes to keep the extension

provision in the code, staff suggest that they vote on a motion to have it added to Section 405.470.12 that sets forth the prior conditions on any motor vehicle dealership CUP.

Site Size Classes

In the “MX” Mixed Use and “CB” Core Business Districts, the uses are broken up based upon site size (or “classes”). In the “CB” district, most are covered by the larger Class 2 sites of one acre or greater, and only small offices are allowed on Class 1 sites. In the “MX” district, there are several different classes and they each contain a variety of permitted and conditional uses. It appears, in both cases and based upon the wording of the district purposes, that standards were born from an interest in encouraging lot consolidations and reacting to certain concerns that were in the community at the time. It is the staff opinion that the desired lot consolidations have largely taken place and no longer need to be incentivized through manipulation of uses. Further, the underlying development bulk regulations and buffer yard requirements have been shown through several development projects to allowed desired development to take place while protecting any nearby residential areas. It should be pointed out that the most controversial projects in the last several years were not impacted by the site class restrictions. The only thing these site classes appear to accomplish now is the arbitrary limitation on uses available to the developments already in place. This was the case with the recent amendment to allow donut shops in smaller developments in the “MX” district.

It should also be noted that this is not a suggestion based upon difficulty with either the NAICS or the format of the proposed table of uses. The NAICS is completely site independent (like the SIC) and the table could have separate columns for each class within the districts. For example, instead of having one “MX” column, there could be one for “MX-Class 1,” another for “MX-Class 2” and so on. For the reasons cited above, staff suggest the one-column approach.

ACTION AND MOTION

If the Planning and Zoning Commission is satisfied that the amendments accomplish the original purposes for starting this process, and that subsequent concerns have been heard and addressed, then Staff request that they provide a recommendation to the City Council on the text amendments. Action will be in the form of approval, approval as modified, or denial. The following would be an example motion for this application:

“I move to recommend approval of the draft text amendment ordinance attached to the February 19, 2013, staff report on Application #13-004 for conversion of the names and numbers of all the permitted and conditional uses identified in the Zoning Ordinance from the 1987 Standard Industry Classification system (SIC) to the 2012 North American Industry Classification System (NAICS)” (Conditions may be added, eliminated, or modified by preceding motion).

[illegible]

AN ORDINANCE AMENDING VARIOUS SECTIONS OF THE ZONING CODE TO CONVERT THE NAMING AND DEFINITIONS OF ALL PERMITTED AND CONDITIONAL USES IN THE ZONING CODE FROM THE 1987 STANDARD INDUSTRIAL CLASSIFICATION (SIC) SYSTEM TO THE 2012 NORTH AMERICAN INDUSTRIAL CLASSIFICATION SYSTEM (NAICS), ALONG WITH CHANGES IN STATUS FOR CERTAIN USES RESULTING FROM THE CONVERSION, AND THE INCLUSION OF NEW USES, OF THE CODE OF ORDINANCES OF THE CITY OF CREVE COEUR, MISSOURI

WHEREAS, an application by the Director of Community Development, on behalf of the City of Creve Coeur, has been submitted for various amendments to the Zoning Code to convert references of uses from the 1987 SIC system due to market changes that have made many of the names and definitions obsolete, and includes those emerging segments of the market place that are not included at all, to the NAICS; and,

WHEREAS, the Planning and Zoning Commission of the City of Creve Coeur, Missouri has recognized the need for amendments to the allowed permitted and conditional uses of the City Code of Ordinances as set forth herein, to more effectively implement the goals of the Comprehensive Plan and the purposes of the Zoning Code; and,

WHEREAS, the Planning and Zoning Commission of the City of Creve Coeur, Missouri, held a public hearing thereon at the Creve Coeur Government Center on Tuesday, February 19, 2013, beginning at 7:00 p.m., or immediately following the close of the previous public hearing; and,

WHEREAS, the Planning and Zoning Commission reviewed and, by a vote of _____ recommended approval of the subject amendments at its meeting on March 18, 2013; and,

WHEREAS, notice of said public hearing had previously been published at least 15 days prior to the hearing in the St. Louis Countian, a newspaper of general circulation in the City of Creve Coeur and otherwise posted and published in accordance with the Zoning Ordinance; and,

WHEREAS, all persons who presented themselves at said meeting and desiring to be heard were given an opportunity to be heard and a copy of the proposed ordinance has been made available for public inspection prior to its consideration by the City Council; and the Bill was read by title in open meeting two times before final passage by the City Council; and,

WHEREAS, the City Council being fully informed finds that amending the City Code of Ordinances would be in harmony with and bear a substantial relation to the public welfare, health, safety, comfort and convenience of the citizens of the City of Creve Coeur and in the public interest.

NOW, THEREFORE, be it ordained by the City Council of the City of Creve Coeur, Missouri as follows:

SECTION 1: The following in Section 405.210 shall be amended as follows:

SECTION 405.210: REGULATION OF USES

It is the intent of this Chapter to permit certain uses, not otherwise illegal, to locate in specified zoning districts, either as a permitted use or a conditional use.

1. Permitted uses. No structure shall be erected, constructed, reconstructed or structurally altered, nor shall any structure or land or combination thereof be used

unless the use to which the structure and/or land is to be put is listed in the permitted use section of the applicable zoning district and the use fully complies with all of the applicable district regulations, except for non-conformities, accessory uses and conditional uses. Permitted uses in all non-residential districts are listed according to the North American Industry Classification System (NAICS) Standard Industrial Classification (SIC) Manual published by the Office of Management and Budget, 2012 ~~1987~~ Edition. The specific uses set forth herein taken from the 2012 NAICS ~~1987 SIC Manual~~ are adopted by reference as specifically set forth herein and made a part of this Chapter as if fully set out in this Chapter. A copy of the 2012 NAICS ~~1987 SIC Manual~~ is on file in the Department of Community Development.

2. Conditional uses. No conditional use, as designated within this Chapter, shall hereafter be established unless such use has been approved pursuant to the provisions of Section 405.470. Any existing use which was a permitted use prior to the adoption of this Chapter and which is designated as a conditional use by this Chapter may continue as if it were approved as a conditional use.
3. Uses not specifically listed. If a particular use is included in the NAICS SIC Manual, is not listed as a permitted use and is not within the same NAICS SIC classification code as a listed permitted use, it is not allowed in that district. If a particular use is not included in the NAICS SIC Manual and is substantially similar to uses in one (1) or more NAICS SIC classification codes which are not listed as permitted uses, it is not allowed within that district. If a particular use is not included anywhere in the NAICS SIC Manual and is substantially similar to one (1) or more of the permitted uses listed in that district, it may receive consideration for inclusion as a permitted use by the Planning and Zoning Commission.
4. All permitted and conditional uses for the Zoning Districts are provided in Table A of the Zoning Ordinance. (Attached)

SECTION 2: Section 405.250 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.260: "A" SINGLE-FAMILY RESIDENTIAL DISTRICT

- B. Permitted Uses. Structures or land in the "A" Single-Family Residential District may be used only may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 3: Section 405.260 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.260: "B" SINGLE-FAMILY RESIDENTIAL DISTRICT

- B. Permitted Uses. Any structure or land in the "B" Single-Family Residential District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 4: Section 405.270 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.270: "C" SINGLE-FAMILY RESIDENTIAL DISTRICT

- B. Permitted Uses. Any structure or land in the "C" Single-Family Residential District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 5: Section 405.280 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.280: "D" SINGLE-FAMILY RESIDENTIAL DISTRICT

- B. Permitted Uses. Any structure or land in the "D" Single-Family Residential District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 6: Section 405.290 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.290: "AR" ATTACHED SINGLE-FAMILY RESIDENTIAL DISTRICT.

- B. Permitted Uses. Any structure or land in the "AR" Attached Single-Family Residential District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 7: Section 405.300 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.300: "HE" HIGHER EDUCATION DISTRICT

- B. Permitted Uses. Any structure or land in the "HE" Higher Education District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 8: Section 405.310 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.310: "PH" PLANNED HOSPITAL DISTRICT

- B. Permitted Uses. Any structure or land in the "PH" Planned Hospital District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 9: Section 405.320 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.320: "PO" PLANNED OFFICE DISTRICT

- B. Permitted Uses. Structures or land in the "PO" Planned Office District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 10: Section 405.330 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.330: "RO" RESEARCH AND OFFICE PARK DISTRICT

- B. Permitted Uses. Structures or land in the "RO" Research and Office Park District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 11: Section 405.340 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.340: "MX" MIXED USE DISTRICT

- B. Permitted Uses. Structures or land in the "MX" Mixed Use District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 12: Section 405.350 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.350: "PC" PLANNED COMMUNITY DISTRICT

- B. Permitted Uses. Structures or land in the "PC" Planned Community District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 13: Section 405.360 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.360: "GC" GENERAL COMMERCIAL DISTRICT

- B. Permitted Uses. Structures or land in the "GC" General Commercial District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 14: Section 405.370 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.370: "CB" CORE BUSINESS DISTRICT

- B. Permitted Uses. Structures or land in the "CB" Core Business District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning

Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 15: Section 405.380 (B) Permitted Uses and (C) Conditional Uses is hereby deleted and replaced in its entirety as follows:

SECTION 405.380: "LI" LIGHT INDUSTRIAL DISTRICT

- B. Permitted Uses. Structures or land in the "LI" Light Industrial District may be used only for the purposes enumerated for that district in Table A of this Zoning Ordinance and are subject to the provisions and limitations of Section 405.210 and to all of the other provisions and limitations of this Chapter and other applicable regulations, ordinances and Statutes of the City of Creve Coeur, St. Louis County or the State of Missouri.
- C. Conditional Uses. The City Council may authorize the uses identified as Conditional Uses for the district in TABLE A of this Zoning Ordinance by conditional use permit as provided in Section 405.1070, based on the criteria in Section 405.470, after receipt of the recommendation of the Planning and Zoning Commission and subject to such other restrictions and conditions as are deemed necessary.

SECTION 16: Section 405.390(D)(a) Planned Residential Development shall be amended as follows:

SECTION 405.390: PLANNED ZONING DISTRICTS

- D. Relationship Of Planned Districts To Zoning Map.
 - 2. Types of planned zoning districts.
 - a. Planned residential development (PRD). A "planned residential development" shall mean a development on a plot of land, containing a limited mixture of uses and building types, which may include single-family houses, clustered housing, multi-family dwellings, open space and small service commercial (boutique style business uses that complement the area listed in Table A, and including the NAICS designation). Although no particular combination of the aforementioned uses is predetermined, all applications for PRD zoning must contain a clear statement and placement of the specific uses within the district....

SECTION 17: Section 405.390(D)(2)(b) Planned Commercial Development shall be amended as follows:

SECTION 405.390: PLANNED ZONING DISTRICTS

- D. Relationship Of Planned Districts To Zoning Map.
 - 2. Types of planned zoning districts.
 - b. Planned commercial development (PCD). A "planned commercial development" shall mean a development on a plot of land containing a mixture of commercial, office, miscellaneous service activities and multi-family dwellings when acceptable to the area. The purpose of a PCD is to provide sites for the development of commercial retail and office uses in a manner which is attractive for such uses and compatible with surrounding neighborhoods. The PCD will also encourage the efficient use of land and resources, offer a mix of amenities for the populace of the

area and promote greater efficiency in public and utility services. Although no particular combination of the aforementioned uses is predetermined, all applications for PCD zoning must contain a clear statement and placement of the specific uses within the district, with the NAICS Designation from Table A. Note that no use which is listed as a conditional use in the Creve Coeur zoning ordinance shall be considered approved for a PCD unless it is expressly listed in the application and approved. Subsequent requests for additional conditional uses shall be treated as amendments to the zoning district and subject to all of the original approval criteria. The minimum gross area (includes floodplain areas) required for PCD is three and one-half (3.5) acres, composed of one (1) parcel or two (2) or more contiguous parcels of land. In addition, a PCD may not be requested for properties described by the Central Business District land use plan....

SECTION 18: Section 405.450 (B) Shall be amended as follows:

SECTION 405.450: PERMITTED USES

- B. Group Homes. (NAICS 62310 and 623990) The following specific standards shall be met before a permit shall be issued for a group home:

SECTION 19: Section 405.470 Conditional Uses shall be amended as follows:

SECTION 405.470: CONDITIONAL USES

1. Electric Power Distribution (NAICS 221122) ~~Public utility substations, distribution facilities and distribution cabinets~~ (conditional use in the "A", "B", "C", "D", "AR", "HE", "PH", "PO", "RO", "MX", "PC", "GC", "CB" and "LI" districts). Shall provide a minimum six (6) foot high screen of evergreen plant material or wall between any structure exceeding three (3) feet in height, with the exception of utility poles and any adjacent residential or institutional use or any right-of-way or street.
2. Retreat Houses (NAICS 813110) operated by non-profit or religious, fraternal or community service organizations including overnight accommodations for guests or members (conditional use in the "A", "B", "C", and "D" districts).
 - a. Shall be located on sites of at least three (3) acres.
 - b. Overnight accommodations shall be limited to guests or members.
 - c. The maximum capacity of such overnight guest facilities shall not exceed a ratio of four (4) overnight guests per acre of site occupied by the retreat house.
3. Accessory retail sales (NAICS 45299 All Other General Merchandise Stores and NAICS 445120 Convenience Stores) (conditional use in the "PO" districts).
 - a. The floor area of retail uses shall not exceed twenty percent (20%) of the gross leasable floor area of any building.
 - b. The combined floor area of all retail uses shall not exceed ten percent (10%) of the gross leasable floor area of a given planned development within the district.
 - c. No signage relating to the retail use shall be allowed except within a building and such signage shall not be visible off the premises.

4. Roof-mounted communication equipment (CC-517929) (conditional use in the "HE", "PH", "PO", "RO", "MX", "PC", "GC", "CB" and "LI" districts).
 - a. Roof-mounted communication equipment shall not exceed fifteen (15) feet in height as measured from the roof of the building and shall meet the sky-exposure plane requirement in the applicable zoning district if applicable.
 - b. Prior to approval of roof-mounted communication equipment by the City Council, the applicant shall document their efforts to locate their communication equipment on an existing communication tower within the City or in close proximity to the City. Such documentation shall also indicate why co-location on any existing tower is not feasible or not desirable.
 - c. The design of the communication equipment shall maximize use of building materials, colors, textures, screening and landscaping that effectively blend the communication equipment facilities with the surrounding natural setting and built environment.
 - d. In addition to the requirements of Section 405.1080, the site plan for the roof-mounted communication shall include the following information:
 - (1) Proposed type, number and location of antennas or other transmission equipment to be located on the building roof; and
 - (2) Location of any adjoining or surrounding residential districts or structures used for residential purposes.
 - e. Roof-mounted communication equipment shall not be installed on residential buildings or on buildings located on lots used for residential purposes.
 - f. Any roof-mounted communication equipment that is no longer in use for its original communications purpose shall be removed at the owner's expense. The owner shall provide the City with a copy of the notice to the FCC of intent to cease operations and shall be given ninety (90) days from the date of ceasing operations to remove the equipment.
 - g. Roof-mounted communication equipment shall not be located within one hundred fifty (150) feet of any residential structure.
 - h. Signs, lighting, other than safety or hazard signs or lighting, shall not be placed on any roof-mounted communication equipment.
5. Roof-mounted communication equipment (CC-517929) (conditional use in the "A" district).
 - a. Roof-mounted communication equipment may be located in a residential parcel if the property is over twenty (20) acres and is primarily used as a public or private school or place of worship.
 - b. The location of the roof-mounted communication equipment shall be no less than three hundred (300) feet from any residential structure measured from the location of the proposed communication equipment.
 - c. Any equipment building, cabinet or similar elements serving the antenna must be located within the structure on which it is mounted or below grade level so as to minimize the visibility from the outside of said structure.
 - d. No antenna shall project above the existing height of the structure upon which it is mounted.

- e. Prior to approval of roof-mounted communication equipment by the City Council, the applicant shall document its efforts to locate its communication equipment on an existing communication tower or rooftop within the City or in close proximity to the City. Such documentation shall also indicate why co-location on any existing tower or rooftop is not feasible or not desirable.
 - f. The design of the communication equipment shall maximize use of building materials, colors, textures, screening and landscaping that effectively blend the communication equipment facilities with the surrounding natural setting and built environment.
 - g. In addition to the requirements of Section 405.1080, the site plan for the roof-mounted communication equipment shall include the following information:
 - (1) Proposed type, number and location of antennas or other transmission equipment to be located on the building roof, and
 - (2) Location of any adjoining or surrounding residential districts or structures used for residential purposes.
 - h. Roof-mounted communication equipment shall not be installed on residential buildings or on buildings located on lots used for residential purposes.
 - i. Any roof-mounted communication equipment that is no longer in use for its original communications purpose shall be removed at the communication equipment owner's expense. The owner shall provide the City with a copy of its notice to the FCC of intent to cease operations and shall be given ninety (90) days from the date of ceasing operations to remove the equipment.
 - j. Signs and lighting, other than safety or hazard signs or lighting, shall not be placed on any roof-mounted communication equipment.
 - k. At the time of application for a conditional use permit, the owner of the subject property is required to provide the City a letter consenting to allow the co-location of up to three (3) communication service providers on the same structure and within the same equipment shelter.
6. Communication Towers (NAICS 517210) (conditional use in the "A", "B", "C", "D", "AR", "HE", "PH", "PO", "RO", "MX", "PC", "GC", "CB" and "LI" districts).
- a. A communication tower shall not exceed one hundred (100) feet in height except in the "LI" Light Industrial District.
 - b. A communication tower shall not be located on parcels of less than five (5) acres in size within the "A", "B", "C", "D" and "AR" Districts.
 - c. The communication tower shall be set back from the property line a minimum of one (1) foot for every foot of structure height or the distance required by the applicable zoning district, whichever is greater. No communication tower shall be located within two hundred (200) feet of any residential structure.
 - d. Communication tower operators of any tower approved after the effective date of this Chapter shall provide for the co-location of other communications providers on their tower for reasonable compensation and shall make adequate space available for public safety communication antennas.

- e. Prior to approval of a communication tower by the City Council, the applicant shall document efforts to locate the proposed antenna on an existing communication tower within the City or in close proximity to the City. Such documentation shall also indicate why co-location on any existing tower is not feasible.
 - f. The design of the tower shall maximize use of building materials, colors, textures, screening and landscaping that effectively blend the tower facilities with the surrounding natural setting and built environment and otherwise reduce the visibility of it.
 - g. All accessory uses and any guy wire anchors or other supporting apparatus shall be subject to height and setback requirements generally applicable to principal uses in the zoning district in which they are located. All guy wire anchor locations, equipment shelter structures or buildings, fencing and similar structures or improvements constituting accessory uses shall be located on the same parcel of land occupied by the communication tower.
 - h. In addition to the requirements of Section 405.1080, the site plan for the communication tower shall include the following information:
 - (1) Exact location of the tower and guy wire anchors or other supporting apparatus;
 - (2) Proposed type, number and location of antennas or other transmission equipment to be located on the tower; and
 - (3) Location of any adjoining residential districts or structures used for residential purposes.
 - (4) Location and number of evergreen plantings or other methods of screening provided for ground-based equipment.
 - i. Any communication tower that is no longer in use for its original communications purpose shall be removed at the owner's expense. The owner shall provide the City with a copy of the notice to the FCC of intent to cease operations and shall be given ninety (90) days from the date of ceasing operations to remove the tower and accessory structures. In case of multiple operators sharing use of a single tower, this provision shall not become effective until all users cease operations.
 - j. Signs, lighting, other than safety or hazard signs or lighting, shall not be placed on any communication tower, unless required by the FAA or other Federal or State authority.
 - k. A communication tower shall not be located closer than fifty (50) feet to any street right-of-way.
 - l. The provisions of Section 405.620 shall not apply to communication towers.
7. Electromedical and Electrotherapeutic Apparatus Manufacturing (NAICS 334510), Surgical Appliance and Supplies Manufacturing (NAICS 339113), Dental Equipment and Supplies Manufacturing (NAICS 339114), and Ophthalmic Goods Manufacturing (NAICS 339115) Fabrication and/or assembly of specialized medical equipment or components (conditional use in the "PH" district).
- a. Shall clearly be accessory to the medical specialty use.
 - b. Shall be located in the same building as the medical specialty use.

- c. Shall occupy less than fifty percent (50%) of the floor area of the building devoted to the medical specialty, not to exceed ten thousand (10,000) square feet.
- 8. All drive-through and drive-in Drive-in sales of goods or services including freestanding drive-in banking facilities (not including restaurants) (CC-442100) (conditional use in the "PC", "GC" and "CB" districts).
 - a. Shall provide space for at least three (3) cars per drive-up window or station.
 - b. Shall provide landscaping to screen the view of drive-up waiting spaces from surrounding properties.
 - c. Drive-up window access, waiting spaces and egress shall not interfere with site circulation or be hazardous to motorists entering, exiting or passing by the site.
 - d. Drive-thru service for restaurants may be located only on sites of not less than three (3) acres.
- 9. Water Supply and Irrigation Systems Water supply storage—NAICS 221310 SIC Code 4941 (conditional use in the "LI" district).
 - a. Shall be located on lots of at least three (3) acres.
 - b. Elevated structures shall be set back from property lines a minimum of one (1) foot for every foot in height of the structure.
- 10. Sewage Treatment Facilities Sewage treatment plants-- NAICS 221320 SIC Code 4952 (conditional use in the "LI" district).
 - a. Shall be located on lots of at least three (3) acres.
 - b. Shall be allowed only as an accessory use to an industrial use.
 - c. Shall be limited to the treatment of industrial waste prior to transmittal to the sanitary sewer system.
 - d. Shall receive all necessary permits from the Metropolitan St. Louis Sewer District, St. Louis County, the State of Missouri and the Federal Government prior to initiating operation.
- 11. New Car DealersAutomotive dealers-- NAICS 441110 SIC Code 551 (conditional use in the "GC" and "CB" districts).
 - a. Site size. Shall be located on lots of not less than one (1) acre.
 - b. Service bays. Service bays shall be limited to one (1) per five thousand (5,000) square feet of land area. All service bays shall be contained entirely within the building. Service bay doors shall not face residentially zoned property ("A", "B", "C", "D", "AR" or "MR").
 - c. Trash disposal and storage. All used tires and parts, trash and similar objects shall be stored within a solid brick or concrete enclosure in the rear half or, in the case of corner sites, the rear quarter of the site.
 - d. Motor vehicle dealers (new or new and used) (all uses NAICS 441110). A motor vehicle dealer, whose new vehicle franchise has been terminated, may continue all other services performed by the dealer for a period of three (3) years from the later of the date of such termination or January 24, 2011, provided the dealer gives the City written notice of such termination within thirty (30) days of the effective date thereof and states in such notice an intent to seek a replacement franchise to sell new

vehicles. Upon good cause shown, the City Council may extend the time period accordingly.

12. New Car Dealers, Used Car Dealers, Motor Vehicle, new and used, used only, Motorcycle Dealers, and Boat Dealers -- NAICS 441110, 441120, 441221 and 441222 SIC Codes 551, 552, and 557 (conditional use in the "LI" District).
 - a. Indoor operations only. All business operations (including, but not limited to, vehicle service, cleaning and storage) will take place indoors, and at no time will any vehicle that is on the premises for sale or service be parked or displayed outdoors. This shall not be interpreted to require service bay doors to be closed except as may be required by an approved conditional use permit.
 - b. Site size. Shall be located on lots of not less than one (1) acre.
 - c. Trash disposal and storage. All used tires and parts, trash and similar objects shall be stored and fully screened from view of the public right-of-way.
13. Gasoline Service Stations-- NAICS 447110 and 447190 SIC Code 554 (conditional use in the "PC", "GC" and "CB" districts). The following specific development standards shall be met before a conditional use permit may be issued for a gasoline service station in accordance with Section 405.1070, so as to control the mode of development, method of operation and to ensure that the location does not adversely affect the health, safety and welfare of the community, especially from the traffic point of view.
 - a. Site size. Service station sites shall contain a minimum area of twenty thousand (20,000) square feet, a minimum lot frontage of one hundred (100) feet and a minimum of twenty-five hundred (2,500) square feet for each dispenser, whichever is greater. A dispenser may have more than one (1) hose.
 - b. Setbacks. All buildings shall be set back at least fifty (50) feet from the street right-of-way line and at least ten (10) feet from any other property line unless a greater setback is required by other provisions of this Chapter. Dispenser islands shall be set back twenty (20) feet from any property line. Canopies may be erected to within ten (10) feet of a property line or street right-of-way to protect automobiles positioned for service at pump islands.
 - c. Service bays. Service bays shall be limited to one (1) per five thousand (5,000) square feet of land area. All service bays are to be contained entirely within the building. Where adjacent to a residential district ("A", "B", "C", "D", "AR" or "MR"), no more than three (3) service bays shall be permitted. Service bay doors shall not face residentially zoned property.
 - d. Parking and access. In addition to providing parking in accordance with Section 405.820(F), there should be adequate space on site for automobiles to wait in line for each dispenser island and dispenser.
 - e. Fencing. The site shall be fenced with a six (6) foot brick or stone masonry wall or solid fence of wood or other material deemed appropriate by the Planning and Zoning Commission along each property line which abuts property zoned to any residential classification ("A", "B", "C", "D", "AR" or "MR").

- f. Retail sales. Sales shall be restricted for the service station to gasoline, oil, tires, batteries and automotive accessories and food and beverages sold from vending machines, unless permission is explicitly granted as part of the conditional use permit for the sale of other items or classes of items such as food, beverages, personal care or other convenience items or car washing services.
 - g. Trash disposal and storage. All used tires and parts, trash and similar objects shall be stored within a solid brick or concrete enclosure in the rear half or, in the case of corner sites, the rear quarter of the site.
 - h. Major repairs prohibited. Major engine or transmission dismantling, body and fender work, top and upholstery work shall not be permitted on the premises of the service station.
 - i. Trailer and equipment rental prohibited. Trailer and equipment rentals shall not be permitted to operate on the premises of a service station.
 - j. Gasoline deliveries. No delivery tanker shall park on public right-of-way during gasoline delivery, nor shall any hose be permitted on the public right-of-way.
 - k. Pump island location. Pump islands located parallel to the street should observe a twenty (20) foot setback. Pump islands located perpendicular to the street should observe a thirty (30) foot setback.
 - l. Landscaping and buffering. A landscaped buffer at least ten (10) feet in width should be provided along the length of all property lines including along all frontage on street rights-of-way except where broken for entranceways. Landscaping shall be provided in accordance with a landscape plan approved by the Planning and Zoning Commission.
 - m. Curb cuts and corner radius. On corner sites a twenty (20) foot curb radius shall be provided and no curb entrance shall be located within less than fifty (50) feet from the end of such curve. At intersections where a primary flow of right turn traffic is anticipated, a thirty-five (35) foot corner curb radius of curvature shall be provided, again with a fifty (50) foot curb cut setback from the end of the curve.
 - n. Sight lines. Landscaping provided along the street frontage in accordance with paragraph (12)(l) "Landscaping and Buffering" above should preserve sight lines for entering and exiting traffic. This does not preclude careful placement of street trees with high foliage or low growing shrubbery (below thirty (30) inches).
14. Food Services and Drinking Places (NAICS 722) Eating and Drinking Establishments. Shall be located on sites of not less than two (2) acres with the following exceptions:
- a. The acreage requirement does not apply to properties within the "GC" District;
 - b. The acreage requirement does not apply to restaurants in the "CB", "PO", "PC" and "LI" Districts that are located within a retail or office building, provided that such restaurants do not collectively occupy more than twenty-five percent (25%) of the building square footage; and
 - c. ~~In the "MX" District restaurants cannot be located on sites that adjoin or abut property within an "A", "B", "C" or "D" Single Family Residential District or that adjoin or abut property within an "AR" Attached Single-~~

~~Family Residential District used for attached single-family dwellings including town homes or duplexes but excluding multi-family dwellings.~~

Drive-thru or drive-up services:

- i. Shall provide space for at least three (3) cars per drive-up window or station.
 - ii. Shall provide landscaping to screen the view of drive-up waiting spaces from surrounding properties.
 - iii. Drive-up window access, waiting spaces and egress shall not interfere with site circulation or be hazardous to motorists entering, exiting or passing by the site.
 - iv. Drive-thru service for restaurants may be located only on sites of not less than three (3) acres.
- d. In the "MX" District:
- i. Restaurants cannot be located on sites that adjoin or abut property within an "A", "B", "C" or "D" Single-Family Residential District or that adjoin or abut property within an "AR" Attached Single-Family Residential District used for attached single-family dwellings including town homes or duplexes but excluding multi-family dwellings.
 - ii. Shall be located on sites of not less than two (2.0) acres;
 - iii. Shall be located on the ground floor of the structure;
 - iv. Shall not occupy more than forty percent (40%) of the approved building square footage for the building footprint and a single eating and drinking establishment shall not exceed three thousand five hundred (3,500) square feet in size;
 - v. Shall have a minimum of sixteen (16) seats for dining; and
 - vi. Shall not provide drive-thru or drive-up services to patrons. "Drive-thru" and "drive-up" shall mean service to on-premises patrons who do not enter the restaurant/patio area, but rather receive service through a drive-up window and/or receive food service in their automobiles.

- 15. ~~Hotels, and Motels motels and tourist courts-- NAICS 721110 SIC Code 701 (conditional use in the "PC", "GC", "CB" and "LI" district).~~
 - a. Shall be located on lots of not less than three (3) acres.
- 16. ~~Hotels and Motels, and Rooming and Boarding Houses Organization hotels and lodging houses on membership basis-- NAICS 721110, and 721310 SIC Code 704 (conditional use in the "HE" district).~~
 - a. Shall be located on lots of not less than twenty (20) acres.
 - b. Shall be accessory to a permitted principal use.
- 17. ~~Cemeteries and Crematories-- NAICS 812220 SIC Code 726 (conditional use in the "A", "HE", and "PC" districts).~~
 - a. Shall be located on sites of at least forty (40) acres.
 - b. The use of the site shall be limited to cremation and final interment of bodies or ashes in the ground, in columbariums, in mausoleums or similar facilities and the customary accessory uses to support a cemetery.—~~No funeral homes or similar uses shall be allowed.~~

18. Funeral Homes and Funeral Services-- NAICS 812210--SIC Code 726 (conditional use in the "A", "HE", "MX", "PC", and "GC" and "CB" districts).
a. Shall be located on lots of not less than one (1) acre.
19. Passenger Car Rental and Leasing Automotive rental and leasing, without drivers-- NAICS 53211--SIC Code 751 (conditional use in the "GC", and "CB", and "LI" districts).
a. Reserved.
b. Service bays. Service bays shall be limited to one (1) per five thousand (5,000) square feet of land area. All service bays shall be contained entirely within the building. Service bay doors shall not face residentially zoned property ("A", "B", "C", "D", "AR" or "MR").
20. Tire Dealers, General Automotive Repair, Automotive Transmission Repair, Other Automotive Mechanical and Electrical Repair and Maintenance, Oil Change, Automotive Glass Replacement Shops, and All Other Automotive Repair and Maintenance Automotive exhaust system repair shops, automotive transmission repair shops, general automotive repair shops, and automotive repair shops not elsewhere classified-- NAICS 441320, 811111, 811113, 811118, 811122, 811191 and 811198--SIC Codes 7533, 7537, 7538 and 7539 (conditional uses in the "GC", "CB" and "LI" districts).
a. Site size. Shall be located on lots of at least one (1) acre.
b. Service bays. Service bays shall be limited to one (1) per five thousand (5,000) square feet of land area. All service bays shall be contained entirely within the building. Service bay doors shall not face residentially zoned property ("A", "B", "C", "D", "AR" or "MR").
c. Fencing. The site shall be fenced with a six (6) foot brick or stone masonry wall or solid fence of wood or other material deemed appropriate by the Planning and Zoning Commission along each property line which abuts property zoned to any residential classification ("A", "B", "C", "D", "AR" or "MR").
d. Trash disposal and storage. All used tires and parts, trash and similar objects shall be stored within a solid brick or concrete enclosure in the rear half or, in the case of corner sites, the rear quarter of the site.
e. Body repairs prohibited. No body and fender work, top and upholstery work shall be permitted on the premises.
f. Landscaping and buffering. A landscaped buffer at least ten (10) feet in width should be provided along the length of all property lines including along all frontage on street rights-of-way except where broken for entranceways. Landscaping shall be provided in accordance with a landscape plan approved by the Planning and Zoning Commission.
21. Motion Picture Theaters (except Drive-Ins)-- NAICS 512131--SIC Code 7832 (conditional use in the "PC", "GC" and "CB" districts).
a. Shall be located on lots of not less than three (3) acres.
22. Various Membership Organizations Private clubs-- NAICS 713910, 713940, 713990, 813312, 813319, 813410, 813910, and 813990) SIC Code 7997 and SIC Code 8641 (except bars and restaurants owned and operated for members or organizations only; conditional use in the "A", "B", "C", "D" and "AR" districts).

- a. Shall be located on sites of at least three (3) acres.
- b. Parking areas shall be separated from adjacent residentially zoned land by a minimum six (6) foot high opaque screen of berms, evergreen plant material, fences or a combination thereof.

~~23. Amusement and recreation services--SIC Code 79 (conditional use in the "A", "B", "C", "D", "AR", "MR", "PO", "PC", "GC" and "CB" districts).~~

- ~~a. Shall be located on lots of not less than one-half (1/2) acre, unless a larger lot is required by the applicable zoning district regulations.~~

2324. Nursing Care Facilities, Residential Mental Retardation, Mental Health and Substance Abuse Facilities, and Community Care Facilities for the Elderly
~~Nursing and personal care facilities-- NAICS 623110, 623210, 623311 and 623990 (except Boot Camps and Halfway Group Homes) SIC Code 805~~
(conditional use in the "HE", "PH", "PC", "GC" and "CB" districts).

- a. Shall be located on sites of at least three (3) acres.
- b. The density of development (for apartment-type units) within a personal care facility shall not exceed twenty (20) dwelling units per acre. Living units with cooking facilities shall count as one (1) dwelling unit and living units without cooking facilities shall count as two-thirds (2/3) of a dwelling unit for purposes of calculating the density of development.
- c. Personal care facilities shall be primarily residential in character; however, convalescent and nursing homes, centralized eating facilities for residents of the facility, medical facilities and similar uses associated with the long- or short-term care of patients may be included.
- d. No building shall be located within fifty (50) feet of any property line.

2425. Outpatient Mental Health and Substance Abuse Center
~~Alcohol and drug treatment, outpatient clinics-- NAICS 62142 SIC Code 8093~~ (conditional use in the "GC" district).

- a. Shall be licensed by the Division of Alcohol and Drug Abuse of the Department of Mental Health of the State of Missouri.
- b. The exterior of the treatment facility shall reasonably conform to the exterior appearance of other buildings in the vicinity.
- c. Shall not be located closer than one (1) mile to any other substance abuse treatment facility.

2526. Elementary and Secondary Schools-- NAICS 611110
~~SIC Code 821~~ (conditional use in the "A", "B", "C", "D", and "AR", ~~"MR", "PO" and "RO"~~ districts).

- a. Shall be located on lots of not less than three (3) acres; and
- b. Athletic fields shall be separated from adjacent residentially zoned land by a minimum six (6) foot high opaque screen of berms, evergreen plant material, fences or a combination thereof.
- c. Lights for major outdoor recreation and entertainment facilities shall require approval of a site development plan in accordance with Section 405.1080.

~~27. Libraries SIC Code 823 (conditional use in the "PO" and "RO" districts).~~

2628. Adult Day Care Centers (NAICS 624120) (conditional uses in the "HE", and "PO" and "RO" districts).
- Shall be located on lots of not less than three (3) acres.
 - The site shall be located on a paved street with sufficient width to accommodate vehicular traffic generated by the use.
 - Passenger loading and unloading facilities shall be provided on the site and such facilities shall be designed to preclude any back-up movements to enter or exit the site.
2729. Child Day Care Services-- ~~NAICS 624410~~ ~~SIC Code 835~~ (conditional use in the "A", "B", "C", "D", "AR", "MR", "HE", "PO" and "RO" districts).
- Shall be located on lots of not less than three (3) acres.
 - The site shall be located on a paved street with sufficient width to accommodate vehicular traffic generated by the use.
 - Passenger loading and unloading facilities shall be provided on the site and such facilities shall be designed to preclude any back-up movements to enter or exit the site.
- ~~30.~~ ~~Orphanages or children's homes-- SIC Code 836~~ (conditional use in the "HE", "PH" and "GC" districts).
- Shall be located on lots of not less than three (3) acres.
2831. Residential Mental Health and Substance Abuse Facilities ~~Alcohol and drug rehabilitation centers, residential-- NAICS 623220~~ ~~SIC Code 836~~ (conditional use in the "GC" "PC" district).
- Shall be licensed by the Division of Alcohol and Drug Abuse of the Department of Mental Health of the State of Missouri.
 - Not more than twenty (20) persons shall reside in the building at one time.
 - The exterior of the treatment facility shall reasonably conform to the exterior appearance of other buildings in the vicinity.
 - Shall not be located closer than one (1) mile to any other substance abuse treatment facility.
2932. Religious Organizations ~~Places of worship-- NAICS 813110~~ ~~SIC Code 866~~ (conditional use in the "A", "B", "C", "D", "AR", "MR", "PO", and "RO", and "LI" districts).
- Shall be located on lots of not less than three (3) acres;
 - Shall provide a minimum of one (1) acre of land per one hundred (100) seats in the main auditorium.
 - In the "A" Single-Family Residential District: If the primary use on the site and conditional use permit is listed as a church or other place of worship and whereas such facilities are located on a lot of twenty (20) acres or more in area, the maximum site coverage on the site may be increased from twenty-five percent (25%) to thirty-five percent (35%). The buffer yard requirement shall be increased to one hundred (100) feet for all new construction or improvements on the site abutting to or across the street from residentially zoned property.
3033. Multi-family dwellings (conditional use in the "AR" district).
- Shall be located on sites of at least five (5) acres.

- b. The minimum dwelling unit size shall not be less than nine hundred (900) square feet per unit.
 - c. At a minimum, fifty percent (50%) of the required vehicular parking shall be provided underground or within a basement garage.
 - d. Private usable open space. Private usable open space shall be provided in accordance with the standards for all multi-family residential building or development described in Section 405.710.
 - e. Visual environment enhancement. In the site development plan for any building or structure or any tract or tracts in the "AR" District, there shall be set aside a sum of money equal to not less than two percent (2%) of the proposed total construction cost, which sum shall be used for the erection, construction or installation of special or extraordinary walks, patios, fountains, pools, statuary, landscaping and other applicable objects of art or beautification upon such tract or tracts. There shall be specified on such site development plan an itemized cost estimate of such items including the manner in which the sum of money is to be used for this visual environment enhancement.
- 3134.** Multi-family dwellings (conditional use in the "CB" district).
- a. Shall be located on sites of at least three (3) acres.
 - b. The average dwelling unit size shall not be less than nine hundred (900) square feet per unit and no unit shall be less than seven hundred fifty (750) square feet.
 - c. At a minimum, fifty percent (50%) of the required vehicular parking shall be provided underground or within a basement garage.
- 3235.** Building or structure exceeding a floor area ratio of 1.0, but not exceeding 1.25 (conditional use in the "CB" district).
- a. All projects seeking a floor area ratio (FAR) exceeding one (1.0) shall be limited to a FAR of eight-tenths (0.8) for the office use portion of the building. The intent is to encourage projects that provide mixed-use developments and reduce peak hour vehicular congestion. All projects should incorporate uses that include, but not be limited to, restaurants, personal service providers and incidental retail and service establishments, that are oriented to both on- and off-site users.

SECTION 20: SECTION 405.820 Required Off street Parking Spaces shall be amended as follows:

SECTION 405.820: REQUIRED OFF-STREET PARKING SPACES

B. General Parking Requirements.

- 1. Shopping centers designed for retail uses in NAICS 442, 443, 444, 445, 446, 448, 451, 452, 453 ~~SIC Codes 53, 54, 56 and 59~~ and personal service establishments shall provide four (4) parking spaces per one thousand (1,000) square feet of floor area unless the proposed mix of land uses in the shopping center require a higher number, in which case the higher number shall be required.
- 2. Residential uses.
 - a. One- and two-unit structures shall provide two (2) parking spaces per dwelling unit.
 - b. Multi-family uses shall provide two (2) parking spaces per dwelling unit for the first fifty (50) dwelling units; one and three-quarter (1¾) spaces per dwelling unit for the second fifty (50) dwelling units; and one and one-half

- (1½) spaces per dwelling unit for all units in excess of one hundred (100) units.
3. Churches, synagogues, temples, other places of worship, public buildings, auditoriums and other places of public assembly: one (1) space for each four (4) seats.
 4. General offices including professional, governmental or institutional except as specifically enumerated in this Article: For buildings less than fifteen thousand (15,000) square feet, four (4) stalls per one thousand (1,000) square feet of gross leasable floor area. For buildings greater than fifteen thousand (15,000) square feet, three and three-tenths (3.3) stalls per one thousand (1,000) square feet of gross leasable floor area.
 5. Business Enterprise Center (as defined herein): 0.85 parking spaces per one hundred fifty (150) square feet of office suite space.
- C. Agriculture, Forestry, And Fishing and Hunting (NAICS 11 SIC Codes 01-14).
1. Veterinary services. One (1) parking space per two hundred (200) square feet of floor area.
 2. All other uses. One (1) parking space per five hundred (500) square feet of floor area and two (2) spaces per acre of land area.
- D. Construction (NAICS 23 SIC Codes 15-17). One (1) space per five hundred (500) square feet of floor area plus one (1) space per three thousand (3,000) square feet of outdoor storage area.
- E. Manufacturing, Transportation, ~~CTelecommunication~~ And Utility Uses (NAICS 22, 31-33, 48-49, 517 SIC Codes 19-49).
1. Manufacturing (NAICS 31-33 SIC Codes 19-39).
 - a. Research and development facility. One (1) parking space per four hundred (400) square feet of floor area.
 - b. All other manufacturing. One (1) parking space for every five hundred (500) square feet of floor area.
 2. Transportation, ~~etelecommunication~~ and utility uses (NAICS 22, 48-49, 517 all uses within SIC codes 40-49). One (1) parking space for every four hundred (400) square feet of floor area.
- F. Wholesale And Retail Trade (NAICS 42, 44-45, 49 722 SIC codes 50-59).
1. Automotive Dealers (NAICS 4411-4413 SIC Code 55) (not including automobile repair (~~SIC Code 75~~)):
 - a. Automobile or boat dealers (~~NAICS 4411-4412, SIC Codes 5510, 5520, 5550, 5560 and 5590~~). One (1) space per two hundred fifty (250) square feet of show room floor area plus three (3) parking spaces per service bay plus one (1) space per one thousand two hundred fifty (1,250) square feet of total aggregate building area. Parking spaces typically occupied by new or used automobiles for sale shall not be counted towards the required off-street parking requirements. Such parking spaces occupied by automobiles for sale do not have to meet the minimum parking space requirements specified in this Chapter.
 - b. Auto partsAutomotive Parts, Accessories, and Tire Stores stores (NAICS 4413 SIC Code 5530). Four (4) parking spaces per one thousand (1,000) square feet of gross floor area.

- c. ~~Gasoline service Stations (NAICS 447 SIC Code 5540).~~ Four (4) parking spaces per one thousand (1,000) square feet of gross floor area plus three (3) spaces for every service bay.
- d. All other automotive uses. Four (4) parking spaces per one thousand (1,000) square feet of gross floor area.
- 2. ~~Building Material and Garden Equipment and Supplies Dealers materials and garden supplies (NAICS 444 SIC Code 52).~~ Four (4) parking spaces per one thousand (1,000) square feet of gross floor area plus one space per one thousand (1,000) square feet of outdoor display area.
- 3. Furniture and Home Furnishings Stores (including carpeting and major appliances) ~~(NAICS 442 SIC Code 57).~~ Four (4) parking spaces per one thousand (1,000) square feet of gross floor area.
- 4. General retail establishments (general merchandise, food, apparel and accessories and miscellaneous retail stores) ~~(NAICS 443, 445, 446, 448, 451, 452, and 453 SIC Codes 53, 54, 56 and 59).~~ Four (4) parking spaces per one thousand (1,000) square feet of floor area.
- 5. Food Services and Drinking Places (NAICS 722). ~~Restaurants and bars (SIC Code 58).~~
 - a. One (1) parking space per every three (3) seats of maximum occupancy recorded under the conditional use permit plus one (1) parking space per every two hundred fifty (250) square feet of total building floor area plus one (1) parking space per each eight (8) seats in an outdoor seating area.
 - b. Small restaurant facilities which offer only carry-out/delivery service and/or a seating capacity of sixteen (16) or fewer persons shall provide parking spaces at the ratio required for basic retail uses; provided such small restaurant facilities shall not be freestanding or provide drive-through, drive-up or curb service facilities.
- 6. Wholesale Trade Wholesaling, warehousing and storage businesses (NAICS 42, 49 SIC Codes 50 and 51) ~~Wholesaling, warehousing and storage businesses (NAICS 42, 49 SIC Codes 50 and 51)~~ shall have their parking requirements based on the following:

Building Size	Parking Spaces
Less than 5,000 square feet	1 space per 1,000 square feet
5,000 to 15,000 square feet	1 space per 1,500 square feet
15,001 to 40,000 square feet	1 space per 2,000 square feet
Greater than 40,001 square feet	1 space per 2,500 square feet
or one (1) space per employee on the largest shift, whichever is greater.	

- G. Finance, Insurance And Real Estate ~~(NAICS 52 and 531 SIC Codes 60-69).~~
 - 1. Finance and Insurance Banks and savings and loans (NAICS 52 SIC Code 60).
 - a. For buildings up to fifteen thousand (15,000) square feet in size, four (4) parking spaces per one thousand (1,000) square feet of gross floor area.

- b. For buildings greater than fifteen thousand (15,000) square feet in size, three and three-tenths (3.3) parking stalls per one thousand (1,000) square feet of gross leasable floor area.
- 2. All other finance (credit agencies, securities and commodities services), insurance and real estate offices. Four (4) parking spaces per one thousand (1,000) square feet of gross floor area.

H. ~~Services (SIC Codes 70–89).~~

- 1. Accommodation Hotels and other lodging places (NAICS 721110 SIC Code 70). One and three-tenths (1.3) spaces per rentable room plus one (1) space for each three (3) seats in the restaurant and lounge plus one (1) space per five hundred (500) square feet of conference rooms.
- 2. Personal and Laundry services (NAICS 812 SIC Code 72).
 - a. Drycleaning and Laundry Services Laundry, cleaning and garment services (NAICS 81232 SIC Code 7210).
 - (1) Drycleaning and Laundry Services (except Coin-Operated) cleaning pickup establishments (NAICS 812320 SIC Code 7219). One (1) space per one hundred fifty (150) square feet of floor area for the pickup area and one (1) space per three hundred (300) square feet of floor area for clothing storage and other areas.
 - (2) All other uses. One (1) space per three hundred (300) square feet of floor area.
 - b. Hair, Nail and Skin Care Services, Barber Shops, Beauty Salons, Nail Salons, and Other Personal Care Services Barbershops, beauty shops, nail salons and tanning salons (NAICS 81211) SIC Codes 7230 and 7240). Three and one-half (3.5) spaces per barber, beautician and/or manicurist station or one (1) space per one hundred (100) square feet of floor area, whichever is greater.
 - c. Death Care Services Funeral homes, mortuaries and similar facilities (NAICS 8122 SIC Code 7260). One (1) space per fifty (50) square feet of floor space devoted to parlors, individual funeral service rooms and similar areas plus one (1) space for each funeral vehicle kept on the premises plus one (1) parking space per employee.
 - d. All other personal service establishments. One (1) space per two hundred (200) square feet of floor area.
- 3. Miscellaneous business services (Advertising Agencies NAICS 54181, News Syndicates agencies NAICS 51911, and television and radio Broadcasting (except Internet) Facilities, NAICS 5151) (SIC Code 73 except 737).
 - a. One (1) space per three hundred (300) square feet of floor area.
 - b. Computer Systems Design and Related Services Computer services (NAICS 5415 SIC Code 737). One (1) space per two hundred (200) square feet of floor area.
- 4. Automotive Repair and Maintenance Automobile repair and services (NAICS 6111 SIC Code 75). One (1) space per three hundred (300) square feet of floor area plus one (1) space per service bay.

Electronic and Precision Equipment Repair and Maintenance (NAICS 8112), Commercial and Industrial Machinery and Equipment (except Automotive and Electronic) Repair and Maintenance (NAICS 8113), and Personal and Household Goods Repair and Maintenance (NAICS 8114). ~~Miscellaneous repair services (SIC Code 76).~~ One (1) space per three hundred (300) square feet of floor area.

6. Motion Pictures and Video Industries (NAICS 5121) ~~SIC Code 78).~~
- Single motion picture theaters. One (1) space per three (3) seats.
 - Multi-plex motion picture theaters. (NAICS 512131) One (1) space per four (4) seats. Except, however, that such theaters may have their parking modified by the provisions of Section 405.800(G)(3) or for multi-plex theaters located with shopping centers containing over twenty-five thousand (25,000) square feet of floor area which provide at least six (6) parking spaces per one thousand (1,000) square feet of floor area or multi-plex theaters located with shopping centers over fifty thousand (50,000) square feet of floor area which provide at least five (5) parking spaces per one thousand (1,000) square feet of floor area may provide parking according to the following standards:

Gross Retail Area	Parking Standard
25,000--49,999	1 space per 5 seats
50,000--79,999	1 space per 6 seats
80,000--99,999	1 space per 7 seats
100,000 square feet and larger	1 space per 8 seats

- Video Tape and Disc Rental (NAICS 53223) ~~SIC Code 7840).~~ One (1) space per two hundred (200) square feet of floor area.
 - All other motion picture uses. One (1) space per three hundred (300) square feet of floor area.
7. Amusement and recreation facilities ~~SIC Code 79).~~
- Fine Arts Schools (NAICS 61161) and Sports and Recreation Instruction (NAICS 61162). ~~Dance studios, schools and halls (including martial arts and similar schools) (SIC Code 7910).~~ One (1) space per two hundred (200) square feet of floor area.
 - Fitness and Recreational Sports Centers (NAICS 71394), and All Other Amusement and Recreation Industries Amusement game parlors, pool halls and other similar recreational buildings (NAICS 713990). One (1) space per one hundred fifty (150) square feet of floor area.
 - Bowling centers (NAICS 71395) ~~SIC Code 7930).~~ Five (5) spaces per lane.
 - Golf Courses and Country Clubs courses ~~(NAICS 71391SIC Code 7992).~~ Four (4) spaces per hole.
 - Public or private commercially operated recreational complexes and associated structures. Five (5) spaces per gross acre plus one (1)

space per one hundred (100) square feet of floor area for associated support buildings.

8. Health Care and Social Assistance (NAICS 62). ~~Medical and other health services (SIC Code 80).~~
 - a. Ambulatory Health Care Services (NAICS 621). ~~Medical and dental offices and outpatient clinics (SIC Codes 8010, 8020, 8030 and 8040).~~
 - (1) Buildings under fifteen thousand (15,000) square feet. Four (4) spaces per one thousand (1,000) square feet of gross leasable floor area.
 - (2) Buildings greater than fifteen thousand (15,000) square feet. Three and three-tenths (3.3) spaces per one thousand (1,000) square feet of gross leasable floor area.
 - b. Nursing and Residential Care personal care facilities (NAICS 623 SIC Code 8050). One (1) space per two (2) patient beds.
 - c. Hospitals (NAICS 622 SIC Code 8060).
 - (1) Eighty-five one-hundredths (0.85) space per employee on duty at any one (1) shift change or sixty-five one-hundredths (0.65) space per full-time equivalent total employment, whichever is greater, and additional parking spaces shall be provided for visitors on the basis of six-tenths (0.6) space per hospital bed.
 - (2) The parking requirements for a hospital may be reduced by the Planning and Zoning Commission if a total parking analysis which reflects all uses provided is submitted by the applicant and approved by the Planning and Zoning Commission.
 - d. Other health services. Four (4) parking spaces per one thousand (1,000) square feet of gross floor area.
9. Professional, Scientific, and Technical Services ~~Legal services (NAICS 54 SIC Code 81).~~ One (1) space per two hundred fifty (250) square feet of floor area.
10. Educational Services (NAICS 61) ~~SIC Code 82).~~
 - a. Elementary and Secondary Schools (NAICS 6111) ~~SIC Code 8210).~~
 - (1) High schools. One (1) space for every four (4) students based on the maximum design capacity of the school plus one (1) space for every employee.
 - (2) Junior high and elementary schools. Two (2) spaces per classroom.
 - b. Colleges, Universities, Business Schools and Technical/Vocational Schools (NAICS 6112, 6113, 6114, and 6115) ~~SIC Codes 8220 and 8240).~~ One (1) space for every two (2) students based on the maximum design capacity of the school plus one (1) space for every employee.
 - c. Other educational services. One (1) space per three hundred (300) square feet of floor area.
11. Social Assistance services (NAICS 6244) ~~SIC Code 83).~~
 - a. Child Day Care Services ~~facilities (NAICS 62441 SIC Code 8350).~~ One and one-half (1.5) spaces per staff person required for the licensed

BILL NO. _____

ORDINANCE NO. _____

capacity of the facility. In addition, day care facilities shall provide safe drop-off areas near the main entrance to the facility.

b. All other social service uses. One (1) space per three hundred (300) square feet of floor area.

12. ~~Museums, Historical Sites, and Similar Institutions art galleries, botanical and zoological gardens (NAICS 7121 SIC Code 84).~~ One (1) space per three hundred (300) square feet of floor area plus one (1) space per two thousand five hundred (2,500) square feet of outdoor display area.

13. ~~Grantmaking and Giving Services, Social Advocacy Organizations, Civic and Social Organizations, and Business, Professional, Labor, Political and Similar Organizations Membership organizations (NAICS 8132, 8133, 8134, and 8139 SIC Code 86).~~ One (1) space per two hundred (200) square feet of floor area.

1 CHAIRMAN MADDEN: Like to call to order the 1
2 Planning Zoning Commission Meeting for the City of Creve
3 Coeur, Missouri for Tuesday, February 19th, 2013.
4 We'll start with roll call.
5 Dr. Barton won't be here.
6 Mr. Eberhardt won't be here.
Page 1

7 Mr. James Faron?
8 MR. FARON: Present.
9 CHAIRMAN MADDEN: Mr. Ken Howard?
10 MR. HOWARD: Present.
11 CHAIRMAN MADDEN: Ms. Kramer won't be here.
12 Mr. Jim Schnarr?
13 MR. SCHNARR: Present.
14 CHAIRMAN MADDEN: Carl Lumley, our City
15 Attorney?
16 MR. LUMLEY: Present.
17 CHAIRMAN MADDEN: Mr. Paul Langdon, our Director
18 of Community Development?
19 MR. LANGDON: Present.
20 CHAIRMAN MADDEN: Ms. Whitney Kelly, our City
21 Planner?
22 MS. KELLY: Present.
23 CHAIRMAN MADDEN: And, Ms. Judy Lowery, our
24 Recording Secretary?
25 MS. LOWERY: Present.

1 CHAIRMAN MADDEN: Okay. And that moves us to ²
2 new business.
3 Number 13-004 is going to be a public hearing.
4 A request to amend various sections of the
5 Zoning Code to convert the naming and definitions of all
6 permitted and conditional uses in the Zoning Code from the
7 1987 Standard Industrial Classification System to the 2012
8 North American Industrial Classification System, along
9 with changes in status for certain uses resulting from the
10 conversion.
11 Anybody that might be speaking on this, if they

12 could be sworn in, please.

13 (Speakers were sworn in by the court reporter.)

14 CHAIRMAN MADDEN: Paul.

15 MR. LANGDON: Good evening, Mr. Chairman,
16 Members of the Commission.

17 My name is Paul Langdon, Director of Community
18 Development for the City.

19 This, hopefully, is the beginning of the end of
20 a long discussion related to uses in the City.

21 I think you probably know more about more uses
22 than you ever thought you would know in the City.

23 And that's a good thing. I think it's important
24 to recognize the -- sort of the spectrum of things that
25 are out there, and where they can and can't go.

1 The effort that we've gone through over the last³
2 several months has been to work you through, either on an
3 individual district basis or in discrete groups, so you
4 have a chance to kind of absorb what all is involved.

5 We've used colors and we've used certain text
6 short forms, primarily the letter X or the word "no" to
7 indicate where things are changed; to indicate where
8 things are brand new and haven't been available in the
9 past, or to indicate where something got a new name and a
10 new code number under the NAICS system, but really wasn't
11 any different than -- than what we had before.

12 All in all, there are 1200-odd uses listed under
13 the NAICS. Quite a few of those are not permitted in the
14 City; they're heavy industry; they're agriculture; related
15 to the military or related to marine, you know, harbors
16 and that kind -- stuff we simply don't have, so we've
17 taken all those out.

18 We did leave in quite a few uses in the
19 discussion process that we were taking out that have
20 actually been listed as permitted or conditional, but
21 really aren't relevant.

22 We were joking beforehand, one of them is flight
23 training. We don't even have a runway, so the only
24 helipads in town is at the hospitals, and they don't do
25 flight training there either, so -- so we deleted that

1 entirely. 4

2 But, you know, there are a few in here where you
3 see that there's no permitted district left, and those
4 will come out in the final version.

5 If you looked in -- look in the draft ordinance,
6 you'll see the Table A, which becomes sort of the master
7 list, that is part of the Zoning Code, if it's approved,
8 and we have tried to pare down all of the lists to just
9 those that are at least either permitted or conditional.

10 We did leave in a lot of Xs to show where things
11 were taken out of districts, or to indicate where they
12 weren't permitted before and they still aren't permitted
13 in the -- in the new version.

14 As you can image, with this many names and with
15 the double converse, remember your discussions we got as
16 far as 2002 with versions of the NAICS. With the final
17 change, we're bringing it right up to the latest version,
18 which is 2012. There are more changes to the names and
19 the numbers.

20 If you look in the Table A, for example, this
21 one here, it has a bold number. That indicates a -- a --
22 a use that was derived from 2007 version where it either

23 split up or was consolidated down.

24 We did provide that conversion table to you so
25 that you could see where that was happening. It was --

1 this table here and -- here we go. Where you had -- zoom⁵
2 in so you can see it here -- you had one use here, which
3 was cigarette manufacturing, which was then broken down
4 or -- or several versions of -- related to tobacco that
5 were consolidated to just tobacco manufacturer.

6 We did try to go through and find all those
7 places where there were duplicate listings because
8 something was consolidated. We didn't catch them all. It
9 was -- we have actually already gone through and made that
10 change, but because there are some other changes we want
11 to go over, I haven't printed it and provided to you
12 tonight. But before we get to the final vote, which I
13 would expect to be next time actually, we'll have a -- a
14 cleaned-up version for you.

15 The -- there were actually, as we went through
16 with fine-tooth comb looking for duplicates that we
17 missed, I did find two uses that had the wrong number, and
18 so I corrected those, so we'll -- we'll fix that.

19 In the staff report we identified several other
20 situations that we were trying to resolve as we got down
21 to the final format here.

22 One of them is that we have a number of uses in
23 the Zoning Code today that have -- that are conditional
24 and have special conditions attached to them all the time.

25 There's all separate part of the Zoning Code

1 that lists certain conditional uses and the⁶
2 pre-conditions, if you will, that go with them. We tried

3 to pick up all of those, make sure that nothing suddenly
4 was shed of its pre-conditions, but we did run into the
5 same difficulty with that section as we did with this
6 table.

7 Some of the combinations of uses and numbers and
8 names isn't the same as it used to be. And so we had to
9 make some interpretations as to what the new use was.

10 And it also brought to light the issue we have
11 with some uses that we have inserted into the Code, the
12 current Code, but simply aren't an NAICS name or number,
13 weren't in the SIC either. Rooftop antennas being one of
14 them. It's not a listed use. It's -- it's an accessory
15 to a building, but in order to regulate some of the
16 details of how they go in, we created it as a conditional
17 use in the current Zoning Code, and we're still doing that
18 with this new listing. But because there is no NAICS
19 number, we've -- we've made them up and inserted into the
20 table.

21 At the moment there's only three of those. I
22 think we're going to end up with at least one more, based
23 on some of the further review we've done since Friday
24 afternoon.

25 Those numbers preceded with the letter CC, Creve

1 Coeur, just indicate that -- that it's a number we
2 inserted. That if you go to the NAICS table you won't
3 find that number.

4 It is otherwise unique. We didn't duplicate the
5 digits. We just came up with a unique number and then
6 added the letter CC in front of it.

7 Rooftop antennas is one. Drive-throughs is

8 another. The drive-through, in and of itself, is not a
9 use that NAICS contemplates. It would be a bank with a
10 drive-through or a restaurant with a drive-through, but
11 just drive-through is not a use.

12 Because we have variations on those things, we
13 have restaurants, lots of restaurants that don't have
14 drive-throughs, and lots -- only one actually that does
15 because there's the potential down the road that we'll
16 have more because banking, although today pretty much
17 always has a drive-through, it doesn't necessarily have to
18 have one. Pharmacies normally do or don't have
19 drive-throughs.

20 We decided it was best, again, to keep that sort
21 of unique standing for drive-through as an activity as a
22 conditional use cause it allows us a little more control
23 over how they go in, and we know there are concerns in the
24 community about that. So it's another with a unique
25 number.

1 The other issue that we had was that some of the⁸
2 qualifiers are built right into the list itself, so if you
3 look at restaurants, there are -- are some restrictions
4 that we then moved from the list of permitted uses or
5 conditional uses over to those pre-Conditions, so we try
6 not to miss anything.

7 One of those is -- is this notion of lot size --
8 what's the word I'm looking for -- classes, they're like
9 Class I, Class II, Class II. The MX District has several
10 of them; the CB District has several of them. You know,
11 and this is sort of a -- a larger policy issue.
12 Without -- we didn't change anything from permitted to
13 conditional or conditional to permitted in this process,

14 but it occurred to us that -- that if you're already
15 reviewing a project for its ability to fit on a site,
16 dividing up sites or trying to regulate it by the site
17 size, sort of as a -- as a pre-decision that really wasn't
18 in the best interest of the marketplace or in our best
19 interest, where we may -- and we had an example, I believe
20 it was the donut shop.

21 MS. KELLY: Uh-huh.

22 MR. LANGDON: You could only have a donut shop
23 on a 3-acre site. I mean I couldn't explain that one. I
24 mean I understand, you know, with -- with, you know, fast
25 food restaurants, there was a point where we were really

1 concerned about where the market was going, and so they⁹
2 were required on 3-acre lots, and it's done a very
3 effective job of preventing any further food restaurants
4 beyond McDonald's.

5 But there were a whole bunch of these uses in
6 these classes of lot size that we simply couldn't explain
7 what difference the lot size made. They were either
8 conditional already, in which case we already had full
9 discretion, or it just seemed to be an arbitrary division,
10 based on conditions we can't explain. So we took that
11 out, frankly, we just took it out. Because we're deleting
12 all of the sections of permitted and conditional uses in
13 each district and then moving those to the table, it,
14 essentially, deleted those classes in the process.

15 We didn't -- didn't call that out, I don't
16 believe, specifically in the staff report. That was a
17 mistake on my part. And also, while I wanted to get that
18 on the record tonight, but not ask for a vote on a

19 recommendation from you all tonight, so you'll have time
20 to consider that and we'll hear your comments tonight if
21 you want us to bring it back, we'll figure out a way to do
22 that. But -- but that is one significant change.

23 The -- I think that's all the issues from the
24 staff report. There were a couple other items that we --
25 we've come up with.

1 We have some definitions in the Code. One would¹⁰
2 be dry-cleaners, the business enterprise center, where,
3 again, the use didn't exist in the SIC or it wasn't in a
4 form that -- that we wanted to encourage or the definition
5 included things we weren't comfortable with, so a unique
6 definition was made and incorporated into the Zoning Code
7 definitions.

8 In some cases those uses now exist in a form
9 that matches ours and so the definition's no longer
10 necessary.

11 A couple others, I think business enterprise
12 center being one of them, it's still not an NAICS category
13 of use. The definition has to remain.

14 The dry-cleaners is another one. We sort of
15 define what a dry-cleaner could be within the list of
16 permitted uses. Well, we could do that again, we could
17 put those into the table, just list, you know, the
18 requirements under name, or we can build it in by
19 definition. That's one that we need to correct.

20 Another one is sexually oriented businesses. We
21 created one catchall term for -- for a broad range of uses
22 that are collectively given that one title, and, again,
23 sort of a unique standing as a use, and, again, NAICS
24 doesn't do that. It is a bookstore as far as it's

25 concerned, NAICS is concerned. Whether or not it's an

1 adult bookstore or not is -- is really an issue that 11
2 resides with the City.

3 So, again, I think that definition has to stay
4 in the Code. We do need to list it in the table, which
5 haven't done. It -- I suppose it's sort of an arbitrary
6 issue, but, you know, we were deciding is -- is this an
7 entertainment business or is this a service or what, just
8 to make it reasonably findable by somebody looking to find
9 it, I want to make sure we get it in a sensible spot.

10 If you have any opinions on that, be happy to
11 hear them. My inclination is entertainment business, but
12 we could put it with those same sort of area that casinos
13 occur. Casinos are not on our list, but they are in the
14 NAICS.

15 The Planned Zoning Districts do not contain
16 specific uses. You have to request them. So that's why
17 you don't see Planned Zoning District at the top here.

18 If you look in the Planned Zoning District
19 listing today, there is no section called permitted uses
20 or conditional uses, so that's why it's not there.

21 One thing that we will add to this when we get
22 to that point, and that point, hopefully, is very soon, is
23 with the downtown, the form base code. While it'll be
24 just sort of broad sections of permitted and conditional,
25 just to make it obvious for people, the actual district

1 will say, you know, it's either office or retail or 12
2 residential, it's going to speak in real generalities and
3 we'll make sure the table reflects that.

4 But, again, once you sort of start using this
5 form of listing, you kind of have to stick with it. It's
6 dangerous to change gears as you go from one district to
7 another, cause, you know, the average user doesn't know
8 you've done that and it gets confusing. So -- so we will
9 incorporate that when the time comes. We're not quite
10 there yet with the downtown.

11 The -- probably the most challenging section in
12 all of this was the section relating to unique housing;
13 group homes, retreat homes, retirement homes, nursing
14 homes, all of those, are all in one big section of the
15 table from the 1987 SIC to the NAICS, they've changed a
16 lot. The nomenclator's changed. The -- the way that
17 they're parsed out has changed.

18 NAICS now pretty much reflects what is out there
19 in the real world, for example, assisted living is now
20 called assisted living, not housing for the elderly with
21 healthcare incidental, which is what the SIC called it.
22 We now have a discrete category for assisted, skilled
23 nursing, for example.

24 Group homes are kind of a tough animal because
25 they have -- they are in a protective class, but you can

13
1 do a group home for a lot of different things.

2 It can be for the developmentally disabled; they
3 can be just for seniors; they can be for people with
4 certain handicaps. It's a challenge to sort of work a
5 group home in as a use that is distinct from the others.

6 Mr. Lumley has raised a couple of questions
7 regarding how we've done that, and I think that's
8 something that I can't answer yet, because I got to go
9 through and look at how these lay out. But that is

10 something that we'll have a better answer for you next
11 time.

12 But if you have -- if you're looking at that
13 section in the Code and you're seeing, you know, these
14 uses that don't appear to be the right way to handle it,
15 please let me know. I don't know if you're prepared to do
16 that tonight or not. I would be surprised if you've gone
17 through and made specific notes on something as fine as
18 that.

19 MR. FARON: Is that 623990?

20 MR. LANGDON: Let's see. That sounds -- yes.

21 MR. FARON: Okay.

22 MR. LANGDON: Yes. It starts -- the first one
23 is that nursing care facility, 623110, and it runs all the
24 way through to -- well, really, you could go all the way
25 to 624410, which is child daycare, I think that one's a

1 little easier out of that group. But there's children --
2 child and youth services, services for the elderly and
3 persons with disabilities, individual family services,
4 community food services, shelters, other community housing
5 services. It's sort of a broad spectrum there.

6 And then you go up to 623210, residential,
7 intellectual and developmental disability facilities,
8 meaning group home in the residential setting. It could
9 be something larger in a commercial setting. And that's
10 why for that particular use you'll see permitted under the
11 residential districts, because we have to, Fair Housing
12 Act requires it. We have the whole section of the Code
13 that's identified there, 405450(B) that -- that alerts
14 people to that. That, you know, it may say it's

15 permitted, but it's subject to a -- a specific section of
16 the Code, and if they go there, they'll see the
17 requirements that apply to it.

18 But there's some others that we wanted to be
19 careful of. This is another one here. Residential care
20 facilities.

21 This is one where we did put in sort of a unique
22 exclusion to our -- our listing, again, so that it's
23 upfront, somebody doesn't have to go looking for it, cause
24 there are a lot of legal issues surrounding this kind of
25 housing.

15
1 What else? Just checking my notes. Automobile
2 dealers. I think that was one of the ones where we took
3 the -- the listing in the districts and incorporated into
4 the -- the pre-conditions.

5 I'm looking over at Whitney because she wrote as
6 much of this as I did, if not more.

7 Oh, yes, another interesting one. Electric
8 power distribution. Under the old Code we kind of had to
9 take a guess at how that was to be used because, again,
10 the SIC didn't really match what actually occurs in the
11 field, and then throw into that the utilities facilities
12 section, which we added to the Code a few years ago, which
13 was driven by state statute and the circumstances that we
14 had to deal with.

15 As I looked through the NAICS, the way they
16 parse it out is if you are the power generation company,
17 if you are Ameren's yard at Dorsett and 270, that's the --
18 the -- the electric power distribution use. The -- the
19 poles and the wires aren't; the transformer boxes in a
20 yard aren't. It's where they -- they physically reside,

21 that the company resides.

22 Now, you can argue they reside anywhere they
23 have a facility, I suppose. But as I read the definition,
24 it doesn't apply to any of those things. They're just
25 accessory to the site that they're on.

16
1 So we don't really have a regulation of those
2 things. We do still have the utilities facilities section
3 of the Code, which says if you're putting these things on
4 private property, then there is a site plan review
5 process, just to make sure that that's done up --
6 according to Code and is done according to, you know, City
7 requirements and in the right of way, et cetera.

8 But I think there is some -- some confusion
9 there when you translate from the SIC in our old standard
10 to the new one. So if you're looking at, would be page 7
11 of the Ordinance 405470, Conditional Uses, you see public
12 utilities, substations, distribution facilities and
13 distribution cabinets deleted out because the NAICS
14 doesn't cover that.

15 And if it's a substation, I think it does fall
16 within that definition as printed in the NAICS, but if
17 it's just the little green box that, you know, sort of
18 enclosed on the corner of the lot, it -- that is not
19 included.

20 I don't think we've ever issued a CUP for the
21 green box on the corner of lot. But for a substation we
22 would certainly get involved. So just to help you parse
23 that out, I suppose is the issue there.

24 Again, and if you look at any of these and you
25 think, I don't even know what that's talking about, what

17
1 is that use, you can either look it up online, if you're
2 so inclined, or let me know, and we'll -- we'll pull it
3 out of -- of the book or look it up for you and email it
4 around to the group.

5 Definitions I would say are generally written in
6 plain English, and fairly easy to understand.

7 I think that's about it. As I said, there's --
8 there are some sections here, some changes here that I'm
9 not prepared to provide you a specific answer to. I would
10 like to have had specific answers for all of them, but we
11 just ran out of time.

12 But if there are any questions you have, we'll
13 take them tonight, and we'll certainly bring answers to
14 those and we'll fill in the gaps from what we presented
15 already.

16 CHAIRMAN MADDEN: Any questions?

17 Anybody in the audience?

18 Mr. Caldwell.

19 DAVID CALDWELL: David Caldwell, 257 Brooktrail
20 Court.

21 However my comment tonight -- comments and
22 questions tonight are related to the Light Industrial
23 District where I have a property there.

24 I understand that the purpose of this exercise
25 is more of a administrative or clerical function to change

18
1 the -- the designation and the nomenclator, but going over
2 the -- the Light Industrial District, it appears that this
3 is something that should be addressed in the upcoming
4 Comprehensive Plan review. That there's still such a
5 tremendous variety of permitted uses in the Light

6 Industrial District that it has no -- no united character
7 whatsoever.

8 We have -- I know some -- like flight training
9 and some things have been eliminated, but there are still
10 a lot of permitted uses in there that I would consider
11 relatively heavy industry, not a light industrial use, and
12 there's everything down to retail-type operations.

13 So I would encourage the Commission to include
14 in the Comprehensive Plan review going through these uses
15 and trying to come up with something which really defines
16 the Light Industrial District, and trying to steer other
17 types of uses to other parts of the community where they
18 would be a better fit and would -- it would be better for
19 the Light Industrial District, as well as being better for
20 the other parts of the community, if you had such things
21 along Olive or in the downtown rather than let them, you
22 know, stick off in the corner somewhere in a Light
23 Industrial area where they really don't fit in nearly as
24 well.

25 I do have a couple of specific questions on

1 the -- on the coding for the Light Industrial District. ¹⁹

2 I see that a lot of various things which are in
3 the SIC have been consolidated into a catchall, which is
4 wholesale trade agents and brokers, and it wasn't clear to
5 me that this was as -- said what we were doing in
6 wholesale as much as perhaps the SIC did, cause I wasn't
7 clear how warehousing, when it just says warehouse trade
8 agents and brokers, to me that almost implies like a
9 office only type of use and it doesn't specifically cover
10 warehousing.

11 And I may have missed it, but I didn't see
 12 that -- that very clearly brought out in the NAICS that a
 13 lot of these businesses do involve warehousing, as well as
 14 just being the, you know, the agent or the broker for the
 15 sale -- the wholesale trade.

16 So I -- maybe that's a question for Paul to --
 17 to think about.

18 Now, specifically, I've tried to look at the
 19 items, which were in red, which were eliminated this time,
 20 which were permitted before, and I saw that -- that quite
 21 a few doctors, chiropractors and the like, their offices
 22 were all eliminated or not permitted anymore, whereas,
 23 such things as family planning centers and blood and organ
 24 banks, and I think nursing homes are permitted in the
 25 Light Industrial District, which I don't think is

20
 1 appropriate.

2 But why are -- why are doctors all of a sudden
 3 prohibited when lawyers and other professional offices are
 4 allowed? Specifically I'm thinking also that the Hans
 5 Wiemann operation does have a surgical suite where they do
 6 hair transplanting. That's done by a licensed physician.

7 So I would like for the staff or the Commission
 8 to think about why we're kicking doctors out of -- I
 9 wouldn't mind kicking them out if we kicked out all the
 10 lawyers as well. So there seems to be an inconsistency
 11 there, so I would like to have somebody take a look at
 12 that before it's the final approval.

13 Those are my comments. If you have any
 14 questions, I'd be happy to --

15 CHAIRMAN MADDEN: Any questions?

16 Paul, would you like to respond to some of

17 those?

18 MR. LANGDON: Yeah, actually I'll start with a
19 question for Mr. Caldwell.

20 When you refer to warehousing, you mean like,
21 you know, for rent, you can just put -- the business is
22 just there to store stuff as opposed to store particular
23 things?

24 DAVID CALDWELL: I was referring to, you know,
25 you got various types of goods like, you know, building

1 materials or sporting goods or whatever -- 21

2 MR. LANGDON: Yeah.

3 DAVID CALDWELL: -- and it says -- a lot of
4 these are changed to wholesale agents and brokers --

5 MR. LANGDON: Uh-huh.

6 DAVID CALDWELL: -- and so I was concerned
7 that -- that that didn't really carry the warehousing
8 function along with it, as well as what I'd understood the
9 old classification -- the definitions of the SIC codes, I
10 thought were pretty specific, that, you know, if you were
11 a wholesale agent or broker that that function included
12 the warehousing of the same goods.

13 Now, you could also have, like you say, just
14 warehousing in general, be -- I think like a rental, what
15 do you call it, rent a space or the --

16 MR. LANGDON: Right.

17 DAVID CALDWELL: I don't -- I think that's a
18 different category --

19 MR. LANGDON: It is.

20 DAVID CALDWELL: -- where you're renting out
21 small spaces to individuals on a retail-type operation.

22 MR. LANGDON: Right.

23 DAVID CALDWELL: But I wanted to be sure that we
24 weren't mixing up the definitions from the old to the new
25 with regard to the warehousing function part of being a

1 wholesale business. 22

2 MR. LANGDON: Okay. Yeah, I may have to -- to
3 sort of show me some examples because I'm not -- and
4 agreed, part of -- part of what gets challenging with the
5 way they've done it is with the NAICS is in a lot of cases
6 if it's even remotely similar in terms of the product say,
7 but the activity is very much the same stuff -- back in
8 this case, stuff comes in on tractor-trailer or by train,
9 it's shelved. It sits there until a deal is made with a
10 retailer, and then it goes out to the retailers or the
11 merchant wholesale, if you will, a lot of those get
12 categorized into one big chunk.

13 The other thing that they've done is they have,
14 in a lot of cases, especially with contractors and brokers
15 of various types, they have separated out the office
16 function from the actual warehouse facility, because so
17 often now they are in separate places.

18 We have -- and we've run into this with a coding
19 problem where somebody wants to run their contractor's
20 office, for example, or their wholesale business out of an
21 office space electronically and there is a warehouse
22 somewhere else where the stuff is. And we ask them what
23 they do, and when they say, well, we're, you know, we're a
24 wholesaler of whatever goods, well, that's not permitted
25 in the Core Business District. Well, yeah, but it's just

1 our office. Well, SIC never contemplated that. It just 23

2 assumed you were in one place. Well, that happens a lot.

3 But I think that may be a little of what --
4 where they've tried to translate some of that is what's
5 leading to some of the confusion that --

6 DAVID CALDWELL: So my operation might actually
7 be two NAICS codes; one for the office part of the
8 building and the other for the warehouse part of the
9 building?

10 MR. LANGDON: It could be, yes. I think, as a
11 practical matter, we would just classify you under the
12 primary function, which is the warehouse itself.

13 DAVID CALDWELL: Uh-huh.

14 MR. LANGDON: That's the biggest part of the
15 operation, that sort of sets the character, if you will.

16 But, yeah, if you wanted to split the -- the --
17 the big room away from the office functions, and, you
18 know, put the office somewhere else, that would enable you
19 to do that, and you would not have to have the office in
20 the Light Industrial area, but you would not be able to
21 have the warehouse in the office area.

22 That maybe -- maybe explained some of what
23 you're seeing.

24 DAVID CALDWELL: Did you want to comment on the
25 doctors?

1 MR. LANGDON: I know where it started. 24

2 Basically the -- I specifically remember the
3 conversation with Viena (phonetic), the intern who did the
4 early work on this. And I -- my comment was, well, you
5 know, we've got doctors permitted like everywhere else in
6 the City. We probably, you know, if we took them out of

7 the Light Industrial area, then it's certainly not going
8 to compromise their choices in the marketplace, there's
9 plenty of others.

10 But as I -- as I look at -- at the section of
11 Code, it's probably overly discreet just sort of hitting
12 on one group of medical practitioners.

13 I'm certainly open to leaving them in, or,
14 agreed, if you want to take all the professions out of the
15 Light Industrial area, we can do that, but there are quite
16 a few professions up there today.

17 The -- the other thing to remember is where the
18 Light Industrial is it does not include the Planned Office
19 area, which is the Corporate Square.

20 DAVID CALDWELL: It doesn't include Corporate
21 Square --

22 MR. LANGDON: Right.

23 DAVID CALDWELL: -- and it doesn't include the
24 strip along Lindbergh --

25 MR. LANGDON: Right.

25

1 DAVID CALDWELL: -- so.

2 MR. LANGDON: That's where a lot of those
3 professionals are, is in that area. They're not actually
4 in Light Industrial property, but it's not to say it
5 couldn't happen or would be undesirable if it did.

6 DAVID CALDWELL: What about -- what about
7 leaving -- taking the nursing homes out and assisted
8 living and all that?

9 MR. LANGDON: Again, I -- yeah, I think that's
10 the reasonable thing to do. Thinking about what's at
11 the -- the margins of the area. Generally I think Warson
12 would be the one place where some of those uses might try

13 to go, and it's Light -- it is zoned Light Industrial.

14 I think the thing that -- that try to keep in
15 mind is you've got Arch St. Louis there, which was
16 incorporated by a specific text amendment a couple years
17 ago. It's a family social services use. Which definitely
18 kind of blurs the line in terms of what services or, you
19 know, well, just say -- call it social services are
20 appropriate in a Light Industrial area, and whether we
21 want to start just allow them anyway or start, you know,
22 modifying that list.

23 DAVID CALDWELL: Well, there was another option
24 that was discussed on that, which was to reclassify the
25 strip along Warson, just like the strip along Lindbergh.

26

1 MR. LANGDON: Yes.

2 DAVID CALDWELL: To make it General --

3 MR. LANGDON: Commercial.

4 DAVID CALDWELL: -- General Commercial.

5 But that's another thing that could be
6 considered in the Comprehensive Planning update.

7 MR. LANGDON: That would be an actual rezoning
8 of property --

9 DAVID CALDWELL: Yeah.

10 MR. LANGDON: -- which goes beyond the scope of
11 this work.

12 DAVID CALDWELL: Right. Well, those are my --
13 my comments.

14 CHAIRMAN MADDEN: Thank you.

15 MR. FARON: Do they have -- do they provide
16 social service or social services at that facility or are
17 they more of the headquarters or the office?

18 MR. LANGDON: No, it's actually provided on that
19 site.

20 MR. FARON: And can I ask, is there a -- as
21 Mr. Caldwell was saying, is there a storage facility up
22 near the small hotel, near the Carpet Center, do we have a
23 storage like a, you know --

24 CHAIRMAN MADDEN: Used to.

25 MR. LANGDON: The City has --

1 MR. FARON: -- a storage or something? 27

2 MR. LANGDON: The City has a storage facility.

3 DAVID CALDWELL: Well, what's the NAICS say on
4 that?

5 MR. LANGDON: We don't zone City uses.

6 MR. FARON: But we don't -- there's not a
7 private business up there that -- I thought maybe --

8 MR. LANGDON: Not that provides storage per say.

9 There is a -- right next to it, in between the
10 motel and the City facility is a -- is a landscape company
11 that has an outside yard, very existing nonconforming
12 landscape company.

13 But I'm not aware of a, you know, storage for
14 rent facility.

15 MR. FARON: So does the LI District run up to
16 the backside of the properties facing Lindbergh? Is that
17 basically where we're saying, Red Cross, and that is not
18 in the LI District technically?

19 MR. LANGDON: Correct. If you look --

20 MR. FARON: Jackman Fabrics and stuff?

21 MR. LANGDON: -- at the zoning map to your left
22 there, the -- the -- it's the lobe that runs up to the
23 northeast corner of the City --

24 MR. FARON: Okay.

25 MR. LANGDON: -- the bright red that you can see

28

1 is General Commercial that's --

2 MR. FARON: Right.

3 MR. LANGDON: -- fronting Lindbergh. The pale

4 yellow area to the left -- right of that is the Light

5 Industrial area.

6 MR. FARON: Is off.

7 So the orange in the corner there is where the

8 church is and that -- that doesn't include Danforth, or is

9 that the orange there --

10 MR. LANGDON: Danforth is in the green area.

11 MR. FARON: Oh, I'm sorry, yeah, the orange

12 would be the -- the apartments there.

13 MR. LANGDON: The apartments.

14 MR. FARON: Yeah. So we don't -- the road that

15 cuts past the hotel -- or the motel I'll say -- that is LI

16 or not? I mean does that go all the way up --

17 DAVID CALDWELL: Around Old Olive.

18 MR. FARON: Oh, I see. Never mind.

19 MR. LANGDON: Yeah.

20 MR. FARON: I see where Danforth is. I'm sorry.

21 MR. LANGDON: Right.

22 MR. FARON: That's all in the -- yeah.

23 MR. LANGDON: Right.

24 MR. FARON: Okay.

25 CHAIRMAN MADDEN: Any other questions? Well --

29

1 MR. HOWARD: I have a question of Paul.

2 Will you go through the logic again of

3 eliminating the doctors.

4 MR. LANGDON: It was, essentially, to -- to
5 focus the use more to the office portions of the City
6 rather than the LI area, only because there's very few of
7 them up there now. And they do tend to drive pretty heavy
8 parking numbers. And a lot of the properties up there do
9 not have a lot of availability for parking, but, you know,
10 that was a decision sort of made as -- as a -- as a
11 suggestion, if you will. If -- because it's a discreet
12 area in the Code, you can see the list there, if you want
13 us to keep them in, we'll certainly keep them in.

14 I don't think it's a huge issue one way or the
15 other. I don't think we're talking about a major policy
16 shift either way.

17 But -- but there is the Hans Wiemann Clinic,
18 and -- and, certainly, I could see others.

19 We've had one of the buildings in the Planned
20 Office area convert to like a -- a sleep study center, I
21 guess, what they call it, (inaudible), so it's not in the
22 LI area, but it's adjacent to it. So there is interest in
23 parts of the medical community in being there.

24 I -- I -- I think one of the things that the
25 Comprehensive Plan says is that, you know, it says very

1 little about this part of the City, but one of the things³⁰
2 it says is the services provided should be supportive of
3 the primary uses up there, the industry, and that could be
4 a pretty broad spectrum of things, you know, my -- my
5 yardstick for that is, well, what might you reasonably run
6 out at lunch to do; what might you reasonably take a half
7 an hour off of work to do, and wouldn't it be nice if it
8 was right around the corner rather than a half an hour

9 drive away.

10 That could be a lot of things. But, you know,
11 would it be to go get surgery? No. I think that's a
12 unique trip. So do the surgery centers, hospitals really
13 need to be in the LI area, no, not when we have lots of
14 other areas for those to be in.

15 Could it be restaurant for lunch? Yeah, I would
16 think so. Lots of various services, yeah, the things, you
17 know, you run out to do at lunch.

18 So it gets to be difficult to put a limit on it,
19 but that's the general thinking. Again, the Commission
20 has a strong feeling one way or the other, I don't.

21 MR. HOWARD: Well, I would comment on the --
22 specifically dentists would fit into that, chiropractor,
23 optometrist would certainly fit within that yardstick.

24 MR. LANGDON: Uh-huh.

25 MR. HOWARD: Mental health, physical,

1 occupational, speech therapists seems to fit well with ³¹
2 that -- the Light Industrial. If you are involved in a
3 work comp case, then that happens all too often.

4 Podiatrists and health practitioners. So by --
5 by that yardstick --

6 MR. LANGDON: Uh-huh.

7 MR. HOWARD: -- I think those would -- would
8 comply, and I'm trying -- I'm trying to understand if
9 there's a conflict with the LI use.

10 DAVID CALDWELL: I'd like to put an anecdotal
11 thing. You mentioned physical therapy. We have --
12 currently have an employee who has to go to physical
13 therapy because of a work-related muscle strain.

14 MR. HOWARD: Good luck with that.

15 DAVID CALDWELL: Yeah.

16 MR. HOWARD: Right. And we have a similar

17 experience. And so my comment is that is not only

18 something that -- physical therapy that somebody could

19 make use of --

20 MR. LANGDON: Uh-huh.

21 MR. HOWARD: -- but they could specifically be

22 work related.

23 MR. LANGDON: Sure.

24 MR. HOWARD: In which case it would make sense

25 to keep that in -- in LI.

1 MR. LANGDON: Certainly seems reasonable. I ³²

2 don't have an objection.

3 MR. HOWARD: That -- I -- I completely agree in

4 ambulatory, surgical and emergency centers.

5 Medical laboratories would seem to be something

6 that is -- is suitable for Light Industry.

7 MR. LANGDON: Is suitable?

8 MR. HOWARD: Is suitable. I'm thinking --

9 MR. LANGDON: Yeah.

10 MR. HOWARD: -- of the Quest Diagnostics --

11 MR. LANGDON: Yeah.

12 MR. HOWARD: -- up on -- up on Page.

13 MR. LANGDON: Uh-huh.

14 MR. HOWARD: Why wouldn't we like to have

15 something like that down in our Light Industrial area.

16 MR. LANGDON: Sure. See -- oh, I see. 621511.

17 Uh-huh. Yeah. I would agree.

18 MR. HOWARD: 621511, yeah.

19 MR. LANGDON: We can make that change. If

20 that's the feeling of the group.

21 CHAIRMAN MADDEN: That's fine.

22 You done?

23 MR. HOWARD: Yes. Thank you.

24 CHAIRMAN MADDEN: Okay. Any other questions?

25 Comments?

1 Okay. That'll end our official public hearing.³³

INTEROFFICE MEMORANDUM

Date: March 18, 2013

To: Planning & Zoning Commission
From: Mark Perkins, City Administrator
Subject: FY 2014-2018 Capital Improvement Program

The draft FY14-18 Capital Improvement Program (CIP) is provided herein and will be presented to the Planning & Zoning Commission at its March 18, 2013 meeting.

Background

The CIP is a 5-year plan used to prioritize and plan for funding capital projects and to preserve and expand the City's infrastructure. The CIP serves as a guide for preparing the City's capital budget each year.

The City Council adopts an updated CIP each year after receiving input from citizens, staff, and the City's boards and committees. The CIP is also a tool that helps the Planning & Zoning Commission meet its responsibilities under Chapter 89 of the Revised Statutes of Missouri, which requires street plans and other public improvements to be reviewed by planning commissions (Sec 89.380 & 89.460 RSMo).

While the Commission is welcome to provide comments on any aspect of the CIP, it should also consider whether or not the proposed improvements conform with the Comprehensive Land Use Plan. The proposed draft CIP is primarily focused on preserving and improving existing infrastructure.

Requested Action

The Planning & Zoning Commission is requested to make a recommendation on the draft FY14-18 CIP and provide a letter on this action to the City Council.

City of Creve Coeur

To: Mayor and City Council
From: Mark Perkins, City Administrator
Date: February 25, 2013
Re: Capital Improvement Program Update – FY2014-18

The proposed Capital Improvement Program (CIP) for the five-year period beginning July 1, 2013 is provided herein. The plan is also being submitted to the Planning and Zoning Commission and Finance Committee for their review and recommendations. A public hearing before the City Council is scheduled for Monday, March 25. As in previous years, input from the public, City staff, and the City's boards, commissions and committees has been considered as part of the CIP update.

Revenues

The ½ cent capital improvement sales tax is the major funding source for the CIP. Capital sales tax revenues are projected to be \$1,870,000 at the end of the current fiscal year compared to last year's total of \$1,895,865, or a reduction of 1.4%. A 1.5% annual increase in sales tax revenue is projected in years 2014 through 2018.

A General Fund transfer of \$525,000 in the first year and \$400,000 each year thereafter is proposed. These transfers will provide additional funding for the City's street program and are possible due to the City's significant fund balance. General Fund transfers to the Capital Fund are made in most years, and are appropriate based on the transportation-oriented revenue sources of the General Fund which include the County Road and Bridge tax revenues.

In addition, the CIP includes a General Fund transfer of \$2,625,000 to retire the Millennium Park debt in January of 2014. By paying off this debt six years early, the city will save a considerable amount in interest. The current interest rate on the bonds is approximately 4% , while our investment earnings are averaging approximately 1%.

The City has been successful in obtaining grant funding for street and park projects, and it is anticipated that we will be able to obtain future grant funding as well to supplement the plan as presented.

Expenditures

Capital outlay for the next five years will range from \$2.2 million to \$2.8 million annually. These figures will likely increase as federal transportation funds are secured for certain projects.

Debt service has comprised a significant portion of the City's CIP dollars since the purchase and construction of Millennium Park in 2000. The CIP includes the scheduled debt payment of \$804,994 along with \$2,625,000 to retire this debt in FY 2014, six years ahead of schedule. This early retirement will free up nearly \$520,000 to \$707,000 annually for capital projects going forward.

Highlights for each major category are provided below:

9501 Building & Improvement Projects

Government Center Space Analysis and Preliminary Design (\$50,000) – A continuation of a project to be undertaken in the latter portion of FY 2013, to evaluate future upgrades and renovations to the Government Center. The last major renovation occurred in 1987, when the building was converted from an elementary school to the Government Center. Efficiency, accessibility and security upgrades will be considered as part of the scope of this project.

Public Art (\$55,000) – The Creve Coeur Arts Commission is requesting funds for art work to be placed on public land.

Public Works Equipment Storage Building (\$120,000) – Proposed to provide protection from the weather to extend the life of major equipment.

9506 Park Development Projects

Park Improvements and Grant Match (\$20,000) – City staff is currently working with a consultant to conduct a needs assessment of the Dielmann Recreation Complex and anticipates applying for a regional parks commission grant for improvements to the building, including flooring replacement and other renovations to improve the operational efficiency and usage of the facility.

9509 Storm Water Projects

Middlebrook Drive Storm Water Improvements (\$240,000) - This project involves replacing the culvert pipes under Middlebrook Drive and making associated repairs to the roadways. The project has been identified as a top priority by the Storm Water Committee.

Storm Water Master Plan Projects (\$150,000 annually) – The city completed an update to its Storm Water Master Plan in 2012 and has identified several projects to be completed over the next several years.

Siltation Removal – Golf Course (\$200,000) – The retention ponds on the city's golf course serve the office park to the north of the course and are an important component to storm water management in the area.

9510 Street & Sidewalk Projects

The majority of CIP expenditures are dedicated to preserving the City's streets and sidewalks through concrete-slab replacement, asphalt overlay, and other preservation techniques. An amount of \$1,133,000 is dedicated to this objective in FY2014. Priorities are guided by the City's infrastructure management program and street rating system.

Staff is proposing additional funding of \$300,000 annually for large street reconstruction projects. The city maintains a large number of 'composite' streets – asphalt over concrete – and these projects often result in extensive reconstruction. Chasselle Lane (\$350,000) will be reconstructed in FY 2014. This project was originally scheduled for FY13 but was deferred until a major sanitary sewer project by MSD was completed.

Graeser Road overlay (\$429,000) – Federal funds have been secured to cover 80% of the cost of this project, which includes an asphalt overlay from Ladue Rd. to Olive Blvd and curbing, gutter, and sidewalk repairs including accessibility ramps.

Emerson Road Reconstruction – grant match (\$285,000) - A conceptual plan was completed in FY12, and a grant match is now proposed to be included in the CIP. The project includes the reconstruction of the road pavement, placement of a sidewalk, storm water control systems in the city-owned section of ROW from Desmet High School to Old Ballas Road, and a higher-capacity right-turn lane from Emerson to Ladue. The amount of \$285,000 represents a 20% grant match for the project.

Mosley Road Preliminary Engineering (\$75,000) - Preliminary engineering will include development of a project scope and budget for future inclusion in the City's capital program.

Olive Blvd. Sidewalk Fernview West Phase 1 and 2 (\$140,000) – The project involves filling in existing gaps in the Olive Boulevard sidewalk network west of Mason Road to the western city limits, funds for phase 2 represent matching funds for a future grant application. The entire project cost will be included in future CIPs if the City is successful in obtaining the grant.

Coeur De Ville Drive Overlay – (\$550,000) - The city has secured a federal grant to cover 80% of the cost of the project, which includes an asphalt overlay between Olive Blvd. and Ladue Rd. as well as curbing, gutter, and sidewalk repairs including accessibility ramps. Additional plantings would be installed between Coeur De Ville and I-270 to expand the visual barrier.

Warson Road overlay Grant Match (\$90,000) – The project scope includes an asphalt overlay from the city's southern city limits to Olive Blvd and curbing, gutter, and sidewalk repairs. The full project cost will be included in future CIPs if the City is successful in obtaining the grant.

Olive Blvd. (New Ballas to Craig Road) Engineering (\$200,000) – The project scope includes center medians to improve traffic access management, wider sidewalks, and streetscaping enhancements.

9516 Capital Equipment

Proposed funding for capital equipment ranges from \$284,500 to \$335,955 per year over the next five years. Only capital equipment with a cost of \$20,000 or more, and a useful life of 5 years or longer are included in the CIP.

Future Project List

A list of potential projects for a future CIP is included. Future projects are identified as projects with either no available funding or with a scope and/or estimate that has not been fully developed. These projects are *not* part of the five-year CIP, but may warrant future consideration for funding.

Of particular note on this list:

- (1) Downtown Streetscape and Infrastructure – The city's Downtown Plan includes recommendations for capital improvements including civic plazas, streetscaping and other improvements.
- (15) Government Center Renovations – A space needs analysis and preliminary design will be completed in FY 2014, providing a scope to this project for possible inclusion in a future CIP.

CC: Planning & Zoning Commission, Finance Committee, Economic Development Commission, Storm Water Committee, Parks & Recreation Committee, Horticulture, Environment & Beautification Committee, and Climate Action Task Force

**Capital Improvement Program
FY14-18 Schedule for Annual Update**

November 2012 – January 2013	Solicit input from citizens, City committees, and City staff
February 25, 2013	Proposed CIP provided to City Council, P&Z and Finance
March 2013	P&Z and Finance Committee recommendation to Council
March 11 & March 25, 2013	City Council Work Sessions
March 25, 2013	Public Hearing before City Council
March 25 or April 8	City Council Approval

New projects in bold

*9515-01 Public Works Capital Equipment Expense: In FY2011 expenditures were less than budgeted due to the equipment being delivered and paid for in FY2012 Actual. FY2013 Projected includes equipment ordered and budgeted in FY2012, but delivered and paid for in FY2013

Future Projects NOT included the FY14-18 CIP	Notes
1 Downtown Streetscape & Infrastructure	
2 New Ballas & Olive Intersection Improvements	
3 Extension of Studt from Old Ballas to Craig	Per downtown plan
4 Government Center Electrical Switchgear Replacement (\$250,000)	
5 Hibler Road Reconstruction - east of Falaise (est. \$295,000)	
6 Lindbergh Blvd. Streetscape enhancement Project - Phase I (est. \$1.25 mil.)	Staff exploring sandblasting and staining jersey barriers
7 Millennium Park Detention Basin Conversion to Lake	
8 Mosley Road Reconstruction (est. \$2.5 mi.)	Preliminary engineering in FY14
9 N. New Ballas Rd. - Phase II Sidewalk - Rocky Dr. to Ladue Rd. (\$220,000)	
10 Olive Blvd Improvements - New Ballas Rd to Craig Rd (\$4.1 mi.)	Engineering proposed in CIP for FY16
11 Public Works Truck Shelter (\$220,000)	Included in CIP in FY15
12 Silt Removal at Golf Course, Phase II (est. \$200,000)	Included in CIP in FY17
13 West Olive Median Enhancements, Phase II - Mason to Fernview (est. \$2.2 mi.)	Sidewalks included in FY14 and FY16
14 Salt Storage Building (\$65,000)	
15 Government Center Renovations	Space needs/Preliminary Design in FY14
16 Dielmann Complex Renovations	
17 Lindbergh Blvd. Flyover at Old Olive/Light Industrial District Infrastructure Improvements	
18 Ladue Road Improvements at I-270	
19 Mason Road Sidewalk Infill - Conway to Olive	

Future Projects are identified projects which either have no available funding or do not have a fully developed scope or estimate. The projects are not listed in any priority order.

Bold items are new projects to list

APPLICATION TO PLANNING AND ZONING COMMISSION
#13-003 REZONING OF 5.26 ACRES TO "CB" CORE BUSINESS
DISTRICT, AND A CONDITIONAL USE PERMIT FOR "THE VANGUARD OF
AT CREVE COEUR" MULTI-FAMILY RESIDENTIAL DEVELOPMENT

FOR THE MEETING OF: March 18, 2013

LOCATION: 10360 And 10420 Old Olive Street Road

REQUEST: Approval for the rezoning of 5.26 acres from "GC" General Commercial District to "CB" Core Business District, and for a Conditional Use Permit for the development of a 174 unit multi-family residential community located on the eastern parcel at 10360 Old Olive Street Road. The proposed density is 48.33 units per acre. The existing office building at 10420 Old Olive Street Road will remain.

ADDITIONAL INFORMATION: The City of Creve Coeur's Zoning Ordinance Section 405.370(C)(n) states that multi-family dwellings for owner or rental occupancy of more than twenty (20) dwelling units per net acre requires a conditional use permit. City Council makes the final decision on all rezoning and conditional use permits. The "GC" General Commercial District does not permit residential uses. The Carriage House Condominium property to the east is zoned "AR" Attached Single Family Residential. The designation of this property as single family residential prompts the need for several variances from the Board of Adjustment, scheduled to hear the request on April 18, 2013.

Key Issues:

- Does the request further the goals and/or implement the Comprehensive Plan?
- Does the request meet with the minimum standards of the proposed "CB" Core Business District?
- Does the site development plan follow the Design Guidelines?

ATTACHMENTS: Applicant's Materials submitted March 8, 2013

DEVELOPMENT HISTORY

The property located at 10360 Old Olive Street Road is 2.73 acres and was originally developed in 1964 as a church and residence. The lot width is 192.79 feet along Old Olive Street Road. It was subsequently zoned "GC" General Commercial. The church and home have been vacant for approximately seven years. The property located at 10420 Old Olive Street Road is 1.93 acres and was originally built in 1980 as a three-story office building. Currently zoned "GC," the property has non-conforming site coverage of 71%. The applicant will also be purchasing 0.6 acres of excess Olive Boulevard right-of-way from MoDOT to adjoin with 10360 Old Olive Street Road. Total project area is 5.26 acres

The Carriage House Condominiums, located on the 2.8 acre property directly to the east, were developed in 1981 under the "P" Multi-Family District designation. The Phase I building is a three-story, 40-unit residence, and the Phase II building is a three-story, 24 unit residence. Initial approval of the development permitted 40 units for each building. The property was rezoned to "MR" and then to "AR" Attached Single Family Residential District in 1999, and was nonconforming in district size, site density, and site coverage for both "MR" and "AR" designations, which required a minimum district size of five acres and maximum density per acre of 20 units. The density for the site is 23 units per net acre. At the time of the rezoning to "AR," discussion included the impact on any future redevelopment of the property located at 10360 Old Olive Street Road and to the east of the Carriage House, due to the required buffer necessary with the single family designation. For the "GC" District, the minimum buffer yard would be 25 feet.

PROPOSED PROJECT

The applicant is seeking to rezone the properties of 10360 and 10420 Old Olive Street Road from "GC" General Commercial to "CB" Core Business District in order to allow for a multi-family development with 48.33 units per acre through the conditional use permit process. Included in the request is a boundary adjustment to adjust the property boundaries between the two lots, to transfer ownership of the access from Old Olive Street Road to the apartment complex, and the inclusion of additional right-of-way from MoDOT. This will create 3.6 acres for the multi-family residence site (Parcel 1) with proposed site coverage of 61%. The existing office building will have a site area of 1.66 acres and the non-conforming site coverage will be decreased from 71% to 69%. However, the adjusted Parcel 2 lot width will be decreased from 126.72 feet along Old Olive Street Road to 76.64 feet, with a cross-access easement for the parking and entrance from Old Olive Street Road.

Below is a close up of the project area:

Figure 1: Existing Lot Configuration

Figure 2: Proposed Lot Configuration

Parcel 1 Multi-Family Residential Development proposal

The development on Parcel 1 includes two main residential buildings with a total of 174 units, situated north and south on the property with the above ground parking structure between them. The Design Guidelines and Zoning Code require, for a multi-family residential development (conditional use in the "CB" Core Business district), that a minimum of 50% of the required vehicular parking be provided underground or within a basement garage [Section 405.470(34)(c) multi-family dwellings]. The applicant currently has an application before the City of Creve Coeur's Board of Adjustment for a variance from this requirement, as well as setback requirements along Olive Boulevard, and the buffer yard requirement from the "AR" District. See discussion below for further information.

Below are the proposed elevations for the development on Parcel 1:

Figure 3: West Elevation

Figure 4: East Elevation

Figure 5: South & North Elevations

Figure 6: Landscape Plan

LAND USE AND ZONING OF SURROUNDING PROPERTIES

The adjacent zoning and land uses are as follows:

DIRECTION	USE	ZONED	SEPARATED BY
North	Office; Retail	“GC” Core Business District	Old Olive Street Road
South	Monsanto	“RO” Research and Office Park District	Olive Boulevard
East	Multi-Family Residential	“AR” Attached Single Family Residential District	NA
West	Retail, Commercial-Creve Coeur Pavilion	“CB” Core Business District	Pavilion Lane

COMPREHENSIVE PLAN REVIEW

The subject property is located in the Commerce Center Action Area of the Comprehensive Plan within the northwest quadrant of Olive Boulevard and Lindbergh Boulevard. The Comprehensive Plan does not provide much direction for this area but characterizes it as a series of underutilized older buildings on irregular lots. The vision for the Commerce Center includes capitalizing on the life science and bio-technical industries where retail shops, restaurants, and personal service business, particularly those providing services to the business and workers in the area, will be encouraged to develop in a small-scale, pedestrian-friendly environment within business parks (page 70).

The Residential Preservation and Economic Development Section state:

3. *Encourage the redevelopment of the area between Olive Boulevard and Old Olive west of Lindbergh Boulevard with uses that will serve and complement business park users and their employees. Improve the quality of this development through enforcement of the City's Design Guidelines, and ensure that redevelopment plans include the "green line" park.*
4. *Upgrade the architectural quality of the building stock as businesses expand or redevelop.*

Figure 7: Comprehensive Plan excerpt of the map of the Commerce Center area, with the Key areas designated

For some locations, the Comprehensive Plan provides specific recommendations for key properties. In the subject area, identified as Commerce Center 1 area, the Comprehensive Plan indicates that previous land use plans identified the desire for strategic land assemblages to ensure orderly and coordinated development, and the possible need for an area plan (Page 75). It further describes the area as: "Old Olive Street, once the major arterial roadway for the area, now takes on a different role by linking the area to the north to Olive and Lindbergh. Older development flanks both sides of the street and may experience redevelopment pressures in the future..." (Page 75). Although there is a lack of specific development recommendations for this area, the overall theme is one of redevelopment with quality projects and providing services to the adjacent research facilities.

A review of this property and many of those around it show that it has been languishing since the Comprehensive Plan was written. The Parcel 1 property has remained vacant, and

the church down the street at 10545 Old Olive Street Road is closing after their Easter Service at the end of the month. The aging Willowbrook retail center has not seen any visual improvements in years and the current business climate is not moving toward more small scale retail development. Complicating matters, the lack of connectivity across Lindbergh Boulevard does not lend itself to further retail redevelopment along Old Olive Street Road.

Indeed, the Comprehensive Plan recommendation to align new projects and services with the nearby, and growing, research facilities and Olive Boulevard commercial corridor still appears to be the best path. To this end, the inclusion of new residential units in the area would offer a complementary use to the businesses, particularly in the nearby life-science industries, where many of the employees prefer to live within walking or biking distance from work, and/or within a walking distance to the existing retail and commercial developments. The localized increase in population would also, presumably, increase the customer base for the existing commercial and retail developments and could spur on further redevelopment efforts. So, whether looking only at the change to the subject property or the potential off-site benefits it could bring, providing new quality residential units in this area appears to meet with the intent of the Comprehensive Plan.

DESIGN GUIDELINES REVIEW

The Design Review Guidelines provide specific direction for the redevelopment of properties including the recommendations for high quality, pedestrian scale and walkable areas, and avoid spatial gaps and interruptions along the "streetscape" caused by parking or other non-pedestrian elements, such as building gaps, driveways, and service entries. Further the Design Guidelines provide specific recommendations for Multi-Family/Attached Residential Developments that encourage developments to respect the scale and character of any residential neighborhood. And building facades should be articulated by using color, arrangement or change in materials to emphasize the façade elements, with individual dwelling units architecturally expressed. The project includes a new separated sidewalk with a three foot landscaped

buffer, as recommended by in the Pedestrian Plan to create a more pedestrian friendly atmosphere. Overall, the project meets with all of the Design Guidelines recommendations. However, Staff recommends that specific discussion on issues such as the equal treatment of all façades and fulfillment of the “green line park” along Olive Boulevard should be postponed until the Commission has addressed larger issues related to the appropriateness of the development for this site and the expansion of the “CB” District (see below). Also, the viability of the entire project is dependent upon the decisions of the Board of Adjustment in April (see below).

ZONING REVIEW

Appropriate Expansion of the “CB” District

The “CB” district is the only viable option for these two properties because residential uses are not permitted in the existing “GC” district, offices are not allowed in the “AR” Attached Single-family Residential district, and the “CB” district is the only zoning district that would allow, through the conditional use permit process, for the proposed density of 48.33 units per acre, on a site of 3.6 acres.

As with any rezoning, it is important to remember that, should the project never get built, the rezoning will remain and the Commission should be satisfied that all of the uses in the proposed district (“CB” District in this case) are a better option for the subject property. For guidance on this broad question of whether or not any rezoning should be considered, Section 405.1060.E provides the following:

Zoning regulations should be changed if the public welfare is not served by the zoning or if the public interest served by the zoning is greatly outweighed by the detriment to private interests. In making this determination, the City should consider the adaptability of the subject property to its zoned use and the effect of zoning on property value in assessing private detriment. The character of the neighborhood, the zoning and uses of nearby property, and the detrimental effect that a change in zoning would have on other property in the area are relevant to the determination of public benefit.

As indicated above, the area along Old Olive Street Road, west of Lindbergh Boulevard, has been languishing with older commercial developments and very little sustained investment in the existing development or redevelopment. What little has occurred, has been in the form of a few office buildings and a new car showroom (Lou Fusz Subaru), all of which are as easily accomplished under the “CB” district as the “GC” district. In other words, the “GC” district zoning has not served any unique development interest. Further, the small scale development that is the primary focus of the “GC” district has not performed well in this area; it has not had any special benefit to property values and it will never see the volume of traffic that supports the retail development on Olive Boulevard. The area, especially the south side of Old Olive Street Road, is largely removed from residential areas to the north, and if it were to become the “Commerce Center” as it is referred to in the Comprehensive Plan, it will not have detrimental effects on other properties in the area any differently than the other, highly successful, Core Business districts in the City.

Assuming the Planning Commission believes there may be sufficient public or private interests that could be served by the proposed rezoning and the associated project, and regardless of the applicant’s pragmatic interest in the “CB” district, the Commission must also believe that the proposal furthers the purpose of the district. The stated purpose of the “CB” District is:

SECTION 405.370: “CB” CORE BUSINESS DISTRICT

- A. *Purpose And Intent. The “CB” Core Business District is intended by site concept and site development plan approval (see Section 405.1080) to guide and control private development and redevelopment of the major business districts of the City of Creve Coeur in coordination with related public improvements and services. Specifically, the district is intended to:*

1. *Relate the development of retail, office and multi-family residential uses servicing both a City-wide and subregional service area to an adopted development plan for the major business areas including land use, phasing and public improvement elements.*

Although the project has only a minor benefit to public improvements (the reduction in the excess right-of-way on Olive Boulevard), it does expand the multi-family residential presence in an area that wants for more customers and new development. Thus the proposed redevelopment of the site would appear to meet with the overall purpose of the district for the area.

Dimensional Issues

The project area is adjacent to the Pavilion Shopping Center which is zoned "CB" Core Business, so there is no minimum district size issues and both parcels meet the minimum lot area requirement. There are, however, conflicts with a number of other dimensional regulations, as outlined below:

SECTION 405.370: "CB" CORE BUSINESS DISTRICT

- E. *Dimensional Regulations. The following area and yard regulations apply in the "CB" Core Business District.*
 2. *Lot size requirements.*
 - b. *Minimum lot width. One hundred (100) feet.*

As indicated above, the applicant is proposing a boundary adjustment between the two properties, reducing the minimum lot width of Parcel 2 from 126.72 to 76.64 feet. Prior to any boundary adjustment this would need to be revised to meet with the above district requirement. However, since this would not impact the overall development, Staff does see this as a critical issue. Any condition of approval will require this change.

SECTION 405.370: "CB" CORE BUSINESS DISTRICT

- E. *Dimensional Regulations. The following area and yard regulations apply in the "CB" Core Business District.*
 3. *Building bulk regulations.*
 - a. *Maximum structure height. No building or structure shall exceed four (4) stories or sixty (60) feet in height. Developments on lots of three (3) or more acres shall have no height limitations, provided that buildings exceeding six (6) stories or ninety (90) feet in height receive a conditional use permit in accordance with Section 405.1070. In addition, properties adjacent to any single-family residential zoning district shall meet a sky exposure plane requirement. The sky exposure plane will be measured from a line located forty-five (45) feet above grade and one hundred (100) feet from the property line on the non-residential site and will have a slope of thirty degrees (30°) rising towards the center of the site. No portion of the building or structure shall penetrate this sky exposure plane.*

The applicant has provided the graphic below to demonstrate the conflict between the requirements of the sky exposure plane and the proposed building:

Figure 8: Sky Exposure Plane

The portions of the building above the dashed line labeled “Sky Exposure Plane” are not permissible under this regulation. A variance will be required to build in that area.

SECTION 405.370: "CB" CORE BUSINESS DISTRICT

E. *Dimensional Regulations.* The following area and yard regulations apply in the "CB" Core Business District.

4. *Yard and setback requirements.*

- a. (2) *Maximum front yard for parcels fronting Olive Boulevard. A building or structure shall be located a maximum of eighty (80) feet from established right-of-way. The provisions of Section 405.240 shall prevail if they are stricter than the requirements of this district. In every instance, the first ten (10) feet of the front yard setback from the right-of-way, excluding building placement, shall be provided with and maintained with sidewalks, unless improved sidewalks exist in the abutting public right-of-way, and with landscaping including, but not limited to, deciduous street trees at regular intervals.*

The applicant is negotiating the purchase of a 120-foot wide strip of additional green space along Olive Boulevard from MoDOT in order to increase the greenspace on the site and provide an area for stormwater detention. However, a condition of the sale of the property is that no structure, nor access, will be allowed within the purchase area. Therefore, the proposed building cannot be located within 80 feet from the reconfigured Olive Boulevard right-of-way, thus raising another question before the Board of Adjustment.

SECTION 405.370: "CB" CORE BUSINESS DISTRICT

E. *Dimensional Regulations.* The following area and yard regulations apply in the "CB" Core Business District.

4. *Yard and setback requirements.*

- d. *Buffer yards. Notwithstanding the provisions of Sections 405.370(E)(4)(b) and 405.370(E)(4)(c) above, any tract or site abutting a single-family residential zoning district shall provide a buffer yard of fifty (50) feet on all sides that abut or adjoin the single-family district. The setback for buildings exceeding three (3) stories or forty-five (45) feet in height shall be increased to two hundred (200) feet. An additional two (2) feet of buffer yard shall be provided for every foot of building height exceeding forty-five (45) feet. The buffer area resulting from*

these setback requirements shall not contain any impervious surface and shall be landscaped and provided with other screening devices as deemed appropriate by the Planning and Zoning Commission.

The proposed side setback is 11 feet, where the typical minimum allowed is 10 feet, but the preceding calls for a 200-foot buffer yard because the building is over three stories and adjacent to an “AR” Attached Single Family Residential District. Even if the building were three stories, it would still not meet the 50-foot buffer yard requirement. It is interesting to note that the requirements for the sky exposure plane and buffer yard would be inconsistent with the recommendations of the Comprehensive Plan and Design Guidelines to avoid spatial gaps and interruptions along the “streetscape”. These are also issues to be before the Board of Adjustment.

Conditional Use Permit

The prerequisites for the conditional use process, as applied to this use, are as follows:

SECTION 405.470: CONDITIONAL USES

34. *Multi-family dwellings (conditional use in the "CB" district).*
- a. *Shall be located on sites of at least three (3) acres.*
 - b. *The average dwelling unit size shall not be less than nine hundred (900) square feet per unit and no unit shall be less than seven hundred fifty (750) square feet.*
 - c. *At a minimum, fifty percent (50%) of the required vehicular parking shall be provided underground or within a basement garage.*

The applicant is proposing to structure the parking above ground between the residential buildings, thus providing an effective screening of the structure along Old Olive Street Road and Olive Boulevard, in keeping with the intent of the Design Guidelines and the above requirements, which is to limit the appearance of such structure. However, the Board of Adjustment will need to grant a variance to allow all of the parking to be above ground. The applicant has indicated that decreasing the height of the development to three floors is cost prohibitive due to the requirement of a structured garage. Further, undergrounding 50% of the parking effectively prohibits any residential development. The developers of the Kings Landing project received a variance based on this same reasoning.

Assistance to the Board of Adjustment

As indicated above, the applicant is pursuing several variances with the Board of Adjustment. In deliberating on the merits of the variances, the Board must contemplate the following findings:

SECTION 405.1110: VARIANCES AND APPEALS

- D. *Criteria For Variances, Generally. The Board of Adjustment shall not grant a variance as authorized herein unless it shall, in each case, make specific written findings of fact directly based upon the particular evidence presented to it that support all of the following conclusions:*
1. *The variance requested arises from a condition which is unique to the property in question and which is not ordinarily found in the same zoning district;*
 2. *The variance requested is because of a unique hardship not created by the applicant or owner of the property;*
 3. *The granting of the variance shall not adversely affect adjacent property owners or residents;*
 4. *The strict application of the provisions of this Chapter from which a variance is requested will cause severe practical difficulty or extreme hardship for the property owner represented in the application;*
 5. *The variance desired will not adversely affect the public health, safety, order, convenience or general welfare of the community; and*

6. *Granting the variance desired will not violate the general spirit and intent of this Chapter.*

While there is no suggestion here that the Planning Commission should attempt to dictate findings to the Board of Adjustment, it will be difficult for the Board to assess adverse impacts upon the public health, safety, order, convenience or general welfare of the community and determine what the general spirit and intent of the Zoning Ordinance is given the above discussion that raises questions regarding the best way for this property to fulfill the goals of the Comprehensive Plan and fulfill the purposes of the “CB” zoning district. Indeed, absent a need for a variance, it is typically the Planning and Zoning Commission’s purview to determine the appropriateness of the project with the Comprehensive Plan and with Zoning District regulations, as well as the compatibility with the surrounding area. On the other hand, when so many variances are needed, one must question if this project is simply not right for this location.

It is the hope of the staff that by agreeing or disagreeing with the analysis in this report, the Planning and Zoning Commission will generate comments that might assist the Board of Adjustment in its review.

SUMMARY AND RECOMMENDATION

The proposal represents a substantial change for this site that challenges the current zoning arrangement and raises questions about the outcomes intended by the Comprehensive Plan. If built, the project will result in a four-story residential development, at a greater density than previously built in the area, between a three story office building and two, three-story condominium developments; a pattern that is clearly more “Core Business” in nature than “General Commercial.” For the most part, the design considerations regarding the architecture and landscaping are met. However, a full review has not been completed at this time due to the significant issues pending before the Board of Adjustment. As suggested above, staff is seeking direction from the Commission to assist the Board in its review. Specific questions are:

- Does the project meet with the intent of the Comprehensive Plan, or does the lack of direction within the Plan raise too many questions to reach a justifiable conclusion?
- Did the City’s prior action of rezoning the adjacent property to “AR” Attached Single Family Residential create burdens on the adjoining properties that conflict with the Comprehensive Plan?
- Would the proposed residential development offer an acceptable density for the area, or does the Commission wish to see a lower level of development with a maximum of three floors, more in keeping with the existing “GC” District regulations? Does this include residential or only commercial development?

SUGGESTED ACTION

After receiving all testimony and discussing matters at hand, staff request that the Planning and Zoning Commission provide specific direction on the proposal. If the Commission Members find that the proposal is not in keeping with the Comprehensive Plan and are not comfortable with the proposed density that the “CB” District would allow, then they should vote to make a recommendation at the meeting.

If the Commission Members find that the project meets with the intent of the Comprehensive Plan and that the rezoning of the properties to “CB” District provides for the opportunity for further redevelopment, then Staff requests that the Commission vote to continue the matter to a subsequent date following the decision of the Board of Adjustment, in order to incorporate the Board’s decision and prepare the appropriate draft ordinances. The Board of Adjustment is scheduled to review the variance requests at its meeting on Thursday, April 18th. The next Planning and Zoning Commission meeting following will be May 6th.

If the Planning and Zoning Commission agrees that a recommendation should be held until a subsequent meeting, the following is an example motion for a continuance:

“I move to continue application #13-003, the rezoning of 10360-10420 Old Olive Street Road to “CB” Core Business District and the Conditional Use Permit for the four-story, 174 unit residential development at 10360 Old Olive Street Road, referred to as The Vanguard Creve Coeur project, to May 6, 2013, to allow for Staff to prepare the draft ordinances.”

Note that the Commission may substitute a different meeting date as they deem necessary.

**APPLICATION TO PLANNING AND ZONING COMMISSION
#13-006 A MINOR SITE DEVELOPMENT PLAN FOR A "FRONT-
YARD" PRIVACY FENCE ALONG PHYLLIS LANE**

MEETING OF: Monday, March 18, 2013

SUBJECT PROPERTY LOCATION: 11144 Clarissa Drive

REQUEST: John Slavkin, property owner, has submitted an application for the approval of a four-foot high, sight-proof fence along the east property line adjoining the west side of Phyllis Lane within the required "front yard" setback along Phyllis Lane. The subject property is zoned "C" Single-Family Residential District, with a required front yard setback of 45 feet.

ADDITIONAL INFORMATION: The City of Creve Coeur's Zoning Ordinance Section 405.640 (C) *Fences Within The Front Yard Section And Along Street Right-Of-Way* states that no fence shall be located within the front yard setback or along street right-of-way, within the area equivalent to the front yard setback of the applicable zoning district, unless approved by site development plan approval by the Planning and Zoning Commission. City Council action is not required.

Key Issues:

- Does the request further the goals and/or implement the Comprehensive Plan?
- Maintaining open green spaces
- Visual scenic impact along Phyllis Lane

Comp. Plan References

- Residential Neighborhoods
- Design Guidelines

Zoning Code References

- Section 405.270: "C" Single-Family Residential District
- 405.640 Fences within the Front Yard Section and along Street Right-of-Way

APPLICANT / John Slavkin
PROPERTY OWNER: 11144 Clarissa Drive
Creve Coeur, MO 63141

REPORT PREPARED BY:

Whitney Kelly, AICP, City Planner

Date

ATTACHMENTS: Applicant's Materials Submitted on February 27, 2013

The subject property is located east of Renee Lane, at the southwest corner of Clarissa Drive and Phyllis Lane, in the Wir-Don Meadows Subdivision. The property is zoned “C” Single Family Residential and has a front yard setback requirement of 45 feet along Clarissa Drive and Phyllis Lane, within which a fence is not allowed without Planning and Zoning Commission approval. The house has a pre-existing, non-conforming front setback at 40 feet, and was originally built in 1962. The applicant is seeking approval to enclose the functional rear and side yard area along Phyllis Lane.

The adjacent zoning and land uses are as follows:

DIRECTION	USE	ZONED	SEPARATED BY
North	Single family residences	“C” Single Family Residential	Clarissa Drive
South	Single family residences	“C” Single Family Residential	NA
East	Single family residences	“C” Single Family Residential	Phyllis Lane
West	Single family residences	“C” Single Family Residential	NA

The proposed fence is a four-foot, wood privacy fence that would run from the southeast corner of the building at 40 feet from the property line, along the southern edge of the driveway, to the eastern property line along Phyllis Lane for approximately 63 feet, and then along the south property line. The east property line is approximately 15 feet from the edge of the pavement of Phyllis Lane. Below is a close up of the site plan with the fence placement indicated in red:

The proposed fence design is a four-foot, eastern red cedar that will be in a horizontal pattern, similar to that shown below:

ANALYSIS

The Zoning Code does not provide guidance in evaluating requests for fences within the setback, except that no fence shall exceed six feet in height.

The Comprehensive Plan and Design Guidelines provide some direction for review of fences with the following:

Comprehensive Plan: Residential Preservation and Economic Development

2. Encourage the continued preservation of the suburban landscape character of the area, its open green spaces, and stream corridors. New development or redevelopment should protect and enhance stream channels, preserving remaining riparian corridors, preserve trees and encourage re-establishment of natural streams, where feasible. The use of pervious paving materials and vegetated swales to manage storm water in new development and redeveloping areas is encouraged.
6. Require that new development or redevelopment be compatible with the character of the surrounding neighborhood with regard to lot frontage, building setbacks, building lines, building scale, and lot coverage. (p.44-45).

Design Review Guidelines: F. Screening (Fences and Walls)

1. All new sound walls, masonry walls or fences are to be designed to minimize visual monotony through changes in plane, height, material, texture or significant landscape massing.
2. The design of fencing, sound walls, trash enclosures, and similar site elements is to be compatible with the architecture of the main buildings and should use similar materials.
3. All fencing should be designed as an integrated part of the site, rather than as a separate fence, such as a planter wall or continuation of an architectural wall feature.
5. In highly visible public areas where fencing is needed, decorative fencing is encouraged. (p.18-19).

The current request to locate the fence along the property line would provide the property much more privacy in the rear yard where most property owners would expect a higher level of privacy, and where currently the irregular lot shape provides none. It also provides a degree of safety for pets and children. Similar arguments are typically cited in such applications. Further, the grade change between the driveway and the yard as shown in the photos in Appendix 4 would require a safety barrier under current building codes. Adding privacy fencing would significantly add to the amount of such fencing in this immediate vicinity, where the neighbors have maintained the open green spaces. The house sits forward of the home located directly to the south, due to the irregular lot shape and angle and curve of Phyllis Lane. Thus, the location of the fence would be forward of the front of the homes to the south, blocking in the neighbor on one side, and disrupting the views from the cul-de-sac at the end of Phyllis Lane. Those neighbors across the street directly west of the property would have the view of a wall from their front door, where in the past this area was open. However, the limited height of the proposed fence at four feet would maintain some views over the top.

Whether or not the proposed fence represents a step too far in the wrong direction is largely a matter of visual preference, consideration of the design details, and the character of the neighborhood. The Commission Members should hear all comments in considering the proposal. If the Members wish to allow for the privacy fence, but keep it further from the street, the bend in the driveway, approximately halfway between the property line and the (40 foot built line) nearest corner of the house, would be a natural point, thus providing approximately 35 feet between the fence and the street. A more open design, such as a black, open-slatted metal fence would also maintain the open views of the area, as well as provide the security of a yard enclosure. Landscaping could then accomplish the level of privacy needed for the homeowner. Moving the fence to match up to the building, would also require the Commission's approval due to the non-conforming 40 foot setback, but this would not address the applicants privacy concerns.

CONCLUSION

If the members of the Planning Commission find the applicant's fence design and purpose sufficiently compelling, they can approve the location of the four-foot, wood privacy fence on the property boundary. If the Commission members would prefer allowing the fence within the setback, but are not comfortable with the fence at the property line, or would like a more open

design, a separate motion amending the request is needed. If the request is denied, the applicant may construct the fence along the 45-foot setback line up to a maximum height of six feet.

ACTION

Action by the Planning Commission should be a vote on a motion for approval, approval with conditions, or deferral. Action by the City Council is not required.

MOTION

The following is an example motion for this application:

“I move to approve the site plan for the four-foot, wood privacy within the setback of the Phyllis Lane along the property line at as shown on the site development plan for 11144 Clarissa Drive as submitted with Application #13-006, presented to the Planning and Zoning Commission on March 18, 2013” (conditions may be added by separate motion).

APPENDIX 1: COMPREHENSIVE PLAN

Included and attached by reference. See body of report for specific excerpts.

APPENDIX 2: ZONING CODE

Included and attached by reference. See body of report for specific excerpts.

APPENDIX 3: AERIAL PHOTO

APPENDIX 4: SITE PHOTOGRAPHS	Photo Date: 10/22/2012
	Description: View of the subject property from the corner of Clarissa Drive and Phyllis Lane. The proposed fence location would come from the back corner of the home toward Phyllis Lane.
	Description: View of the back yard of the subject property and the view of the property to the south. In addition to enclosing the yard, it would provide a safety barrier from grade change to the driveway.
	Description: View of the subject property looking south from Phyllis Lane along the rear property line to the neighboring properties to the south. Note the lack of fencing in the area.

	Description: View of the subject property looking northwest from Phyllis Lane with the neighboring property to the south.
	Description: View of the subject property looking south along the west property line from Clarissa Drive.
	Description: View of the subject property looking west along the south property line from Phyllis Lane to the two neighboring properties. Note the lack of fencing for both houses.

**APPLICATION TO PLANNING AND ZONING COMMISSION
#13-007 FOR APPROVAL OF A BOUNDARY ADJUSTMENT PLAT
FOR PROPERTY AT 10977 OLIVE BOULEVARD**

FOR THE MEETING OF: Monday, March 18, 2013

LOCATION: 10977 Olive Boulevard

REQUEST: The prior realignment of Dautel Lane from Graeser Acres Street to Olive Boulevard resulted in a short section of the street being abandoned adjacent to Lot A of the Crossing at Graeser project. Pace Properties proposes to adjust Lot A (addressed at 10977 Olive Boulevard) to incorporate their share of the abandoned right-of-way into the lot.

ADDITIONAL INFORMATION: The sale or transfer of small parcels of land to or between adjoining property owners, where such sale does not create additional lots is a ministerial act; if the drawings are technically accurate, they must be approved by the Planning and Zoning Commission.

Key Issues:

- Does the adjustment create non-conformities on the lot?
- Is the adjustment plat drawing drawn correctly?

Date

ATTACHMENTS: Boundary Adjustment Plat of Lot A of the Crossing at Graeser

BACKGROUND

When Ordinance #5052 was approved in 2008, it authorized the construction of the new Walgreens store at the intersection of Olive Boulevard and a realigned Dautel Road. The realignment moved Dautel to the east, resulting in a section of abandoned right-of-way and a new lot between the former Walgreens location and the new connection to Olive Boulevard. This lot, that was not developed at the time of the Walgreens construction, was named Lot A of the Crossing at Graeser subdivision. The original developer of the project still owns Lot A and wishes to combine it with their portion of the abandoned right-of-way. Since this does not create any new lots, but does alter the boundaries of Lot A, a boundary adjustment plat must be approved for the new lot to be re-recorded. The owner also wishes to clarify the disposition of the utility easements on the property which have been affected by the overall project.

DISCUSSION

Site Analysis

The property is zoned “GC” General Commercial and, as such, is not subject to any minimum lot size. Also, as an undeveloped lot, there are no issues with adjusting the setbacks and required yards. Similarly, all of the bulk standards and buffer yard requirements remain unaffected. As a lot in an approved development, there is an existing site development plan for the lot that includes a 4,200 square foot retail building with a landscaped front yard and parking in the rear (north side).

In addition to authorizing the site improvements, Ordinance #5052 required the preservation of a “no-build” area 180 feet north of, and parallel to, the Olive Boulevard right-of-way. Since this area is not specific to any east or west edge other than the property boundary itself, it will simply be extended into the added area. The boundary adjustment will not require any modification to the building or the parking lot or any of the storm water management structures. In summary, the boundary adjustment will not cause any significant changes to the already approved site development plan, nor will it result in any zoning non-conformities.

Technical Review

A boundary adjustment, which is not a subdivision plat, is possible when the following regulation from the Subdivision Code is satisfied:

Section 410.030 Scope and Application

D. Sale or transfer of small parcels of land to or between adjoining property owners, where such sale does not create additional lots, is exempt from the requirement of recording by plat; provided, however, that certification by the Planning and Zoning Commission shall be required prior to such sale or transfer. This certification shall be recorded with the title of the property by the St. Louis County Recorder of Deeds.

This appears to be the case with the current application. The drawings are technically accurate and the adjustment will not create nonconformities. Staff conclude that the adjustment should be approved by the Planning Commission, subject to the conditions in the example motion.

ACTION

If the members of the Planning Commission are satisfied that the requested boundary adjustment meets the applicable requirements of the Subdivision Code, the Planning Department staff request that a final decision be voted upon; no action by the City Council is required.

MOTION

The following are examples of a motion for this application:

“I move to approve the Boundary Adjustment Plat of Lot A of the Crossing at Graeser attached to the staff report on application #13-007, dated March 18, 2013, subject to the condition that a final drawing be prepared for signature and recording. (Conditions may be added, eliminated, or modified by preceding motion).

APPENDIX 1: ZONING CODE

Included and attached by reference. See body of report for specific excerpts.

APPENDIX 2: CREVE COEUR SUBDIVISION AND LAND DEVELOPMENT REGULATIONS (CHAPTER 410 OF THE CREVE COEUR MUNICIPAL CODE)

Included and attached by reference. See body of report for specific excerpts.

APPENDIX 3: AERIAL MAP

OWNER'S CERTIFICATION

We, the undersigned owners of the tract of land platted and further described in the foregoing Surveyor's Certification, have caused the same to be surveyed and boundary adjusted in the manner shown on this plat, which plat shall hereinafter be known as "

"Boundary Adjustment Plat of Lot A of the Crossing at Graesser and Vacated Dautel Avenue "

The owner of Lot A of The Crossing at Graesser hereby grants a perpetual non-exclusive easement over the area shown hatched for ingress and egress by pedestrians, passenger vehicles and trucks for the benefit of the following two properties (1) PART OF LOT 6 OF THE PARTITION OF SAMUEL S. MATSON ESTATE and being more specifically described in the instrument recorded in Book 16071, Page 2963 of the St. Louis County records and (2) PART OF LOT 7 OF THE PARTITION OF SAMUEL S. MATSON ESTATE and being more specifically described in the instrument recorded in Book 16364, Page 2844 of the St. Louis County records. This easement shall run with the land and be binding upon and inure to the benefit of the properties described herein.

The 10 feet wide easement shown on this plat, is hereby dedicated to the City of Creve Coeur, Missouri, Missouri American Water Company, Laclede Gas Company, AmerenUE, AT&T, The Metropolitan St. Louis Sewer District and the relevant Cable Company, their successors and/or assigns as their interests may appear for the purpose of improving, constructing, maintaining, and repairing public utilities, sewers, and drainage facilities with a right of temporary use of adjacent ground not occupied for improvements for excavation and storage of materials during installation, repair, or replacement of said utilities, sewers, and drainage facilities.

Permanent and/or semi-permanent monuments, as required, shall be set at all lot corners, that will aid in later recovery within twelve months after the recording of this subdivision plat, in accordance with 10 CSR 30-2.090 of the Missouri Department of Natural Resources, and 20 CSR 2030-16.090 of the Missouri Department of Economic Development. In addition, other survey monuments indicated on this subdivision plat, required by the subdivision ordinance of the City of Creve Coeur, Missouri will be set.

All taxes which are due and payable against this property have been paid in full.

IN WITNESS WHEREOF, the party have hereunto set his hand this ____ day of _____, 2013.

PROPERTY DESCRIPTION
ADJUSTED LOT A

A tract of land being Lot A of the Crossing at Graesser, a subdivision according to the plat thereof as recorded in Plat Book 357, Pages 340 and 341 of the St. Louis County Records and that part of Dautel Lane as vacated by City of Creve Coeur Ordinance No. 5186, and recorded in Book 19424, Page 837 of said records, located in Northeast Quarter of Section 2, Township 45 North, Range 5 East of the Fifth Principal Meridian, City of Creve Coeur, St. Louis County, Missouri, being more particularly described as follows:

Beginning at the southeastern corner of above said Lot A, said point also being located on the northern right-of-way line of Olive Boulevard, variable width; thence along said northern right-of-way line, North 75 degrees 26 minutes 22 seconds West, 86.59 feet to the intersection of the west right-of-way line of that part of vacated Dautel Lane, variable width; thence along said west North 03 degrees 05 minutes 00 seconds East, 168.80 feet to a point of curvature to the left, curve having a radius of 25.00 feet; thence along said curve with an arc length of 33.48 feet and a chord which bears North 35 degrees 16 minutes 50 seconds West, 31.03 feet departing last said right-of-way line; thence North 60 degrees 09 minutes 00 seconds East, 74.62 feet to a point of curvature to the right, curve having a radius of 25.00 feet; thence along said curve with an arc length of 36.34 feet and a chord which bears South 78 degrees 12 minutes 34 seconds East, 33.22 feet to a point of tangency, said point also being located on the western right-of-way line of Dautel Lane, variable width; thence along said western right-of-way line the following courses and distances: South 36 degrees 34 minutes 09 seconds East, 81.28 feet to a point of curvature to the right, curve having a radius of 75.00 feet; along said curve with an arc length of 60.75 feet and a chord which bears South 13 degrees 21 minutes 56 seconds East, 59.10 feet to a point of tangency; South 09 degrees 50 minutes 17 seconds West, 86.22 feet; and South 53 degrees 36 minutes 45 seconds West, 64.53 feet to the Point of Beginning and containing 30,170 square feet or 0.692 acres more or less.

LOT A

A tract of land being part of Lots 1 and 2 and Part of Dautel (Graesser) Road, 50 feet wide and Part of Dautel Lane, variable width of Graesser Acres Plat No. 1, a subdivision according to the plat thereof as recorded in Plat Book 58, Page 40 of the St. Louis County Recorder of Deeds Office, located in US Survey 1962 and Section 2, Township 45 North, Range 5 East of the Fifth Principal Meridian, St. Louis County, Missouri, being more particularly described as follows:

Commencing at the Northeast corner of above said Lot 2, said point also being located on the Southwesterly line of Graesser Acres Road, 50 feet wide; thence along said Southwesterly line and it's direct Southwesterly prolongation South 60 degrees 09 minutes 00 seconds West 101.59 feet to a point on a non-tangent curve to the right for which the radius point bears South 29 degrees 51 minutes 00 seconds East 25.00 feet said point also being the POINT OF BEGINNING of the herein described tract; thence departing last said Southwesterly line the following courses and distances: along said curve with a chord which bears South 78 degrees 12 minutes 34 seconds East 33.22 feet and an arc length of 36.34 feet to a point of tangency; South 36 degrees 34 minutes 09 seconds East 81.28 feet to a point of curvature to the right; along said curve having a radius of 75.00 feet, a chord which bears South 13 degrees 21 minutes 56 seconds East, 59.10 feet and an arc length of 60.75 feet to a point of tangency; South 09 degrees 50 minutes 17 seconds West 86.22 feet and South 53 degrees 36 minutes 45 seconds West, 64.53 feet to the Northeastly line of Olive Boulevard, 90 feet wide; thence along said Northeastly line North 75 degrees 26 minutes 22 seconds West, 61.08 feet to the centerline of above said Dautel Road; thence along said centerline North 03 degrees 05 minutes 00 seconds East 226.88 feet to the point of intersection with the direct Southwesterly prolongation of the Southwesterly line of above said Graesser Acres Road; thence along last described line North 60 degrees 09 minutes 00 seconds East 21.89 feet to the Point of Beginning and containing 24,533 square feet or 0.563 acres more or less.

PART OF VACATED DAUTEL LANE

A tract of land being part of Dautel Lane as vacated by City of Creve Coeur Ordinance No. 5186, and recorded in Book 19424, Page 837 of said records, located in Northeast Quarter of Section 2, Township 45 North, Range 5 East of the Fifth Principal Meridian, City of Creve Coeur, St. Louis County, Missouri, being more particularly described as follows:

Beginning at the southwestern corner of above said Lot A, said point also being located on the northern right-of-way line of Olive Boulevard, variable width; thence along said northern right-of-way line, North 75 degrees 26 minutes 22 seconds West, 26.51 feet to the east line of a tract of land as conveyed to Creve Coeur Real Estate Venture IV, LLC by instrument recorded in Book 18364, Page 2844; thence along said east line, North 03 degrees 05 minutes 01 seconds East, 168.80 feet to a point of curvature to the left having a radius of 25.00 feet; thence along said curve with an arc length of 33.48 feet and a chord which bears North 35 degrees 16 minutes 50 seconds West, 31.03 feet; thence North 60 degrees 09 minutes 00 seconds East, 52.73 feet to the northwest corner of above said Lot A; thence along the west line of said Lot A, South 03 degrees 05 minutes 00 seconds West, 226.88 feet to the Point of Beginning and containing 5,646 square feet or 0.129 acres more or less.

I, City Clerk for and within the City of Creve Coeur, Missouri, do hereby certify that this Boundary Adjustment Plat of "Lot A of The Crossing at Graesser & part of Dautel Lane as vacated by Ordinance No. 5186" is in complete compliance with Ordinance No. _____ approved on the ____ day of _____, 2013 as approved by the City Council of the City of Creve Coeur, Missouri.
