Greg Campbell suggested the next newsletter article include recycling reminders. Andy Lowenthal suggested a reminder about not putting recycling into plastic bags. Saranya Konala suggested including reminders about properly recycling plastic film. Greg Campbell volunteered to write the article for the February newsletter.

BUSINESS FROM MEMBERS

Saranya Konala asked for an update on the solar powered street light cost share program. Andy Lowenthal stated he attended the City Council meeting when this program was approved, and the City Council did not specify whether the lights had to be 3000K or 4000K. Melissa Bradford confirmed that the Kelvin level is up to the applicant and will check to confirm that the program's webpage on the city's website includes educational material on responsible outdoor lighting so that the applicant has the opportunity to learn more.
