2. Plein Air Art Event

The Committee discussed action items for the Plein Air Art Event, including the event program layout and welcome packets for artists. Melissa noted that Lisa Hilton collected coupons from local businesses to include in the artist welcome packet. The Committee reviewed the volunteer sign up sheet and volunteer duties for each shift. The Committee agreed each artist would get one rod, with up to two paintings per rod. Each painting will be assigned a number to allow for blind judging. When paintings are dropped off, a volunteer will document the artist's name, painting number, painting title, painting price, and contact info for the artist. This information will be printed for the event and made available to attendees. Paintings will be labeled with a number printed on cardstock taped to the wall with painter's tape.
