ROLL CALL

DISCUSSION ITEMS

1. Revised Stormwater Regulation

Summary: The City's Stormwater Committee and City staff propose revisions to the City's Stormwater Regulations (Chapter 425 of the Municipal Code) that are intended to protect residents from the potential negative effects of stormwater runoff resulting from development on adjacent residential lots. The proposed regulation would apply to large-scale residential developments that disturb less than one acre of land, such as a new home, swimming pool, or garage addition. The proposed revision also adopts the most recent (2006) MSD Regulations by reference. The current Chapter 425 is an adaptation of the 1997 MSD Regulations.

Pursuant to Section 610.022 RSMo., the City Council could, at any time during the meeting, vote to close the public meeting and move to closed session to discuss matters relating to litigation, legal actions and/or communications from the City Attorney as provided under Section 610.021(1) RSMo. and/or personnel matters under Section 610.021(13) RSMo. And/or employee matters under Section 610.021(3) RSMo. and/or real estate matters under Section 610.021(2) or other matters as permitted by Chapter 610.
