DISCUSSION ITEM

1. Long-Range Planning Implementation Priorities for Calendar Year 2022

The joint work session between the City Council and members of the Planning and Zoning Commission provides the opportunity to review several long-range planning initiatives in order to identify priorities for the upcoming year. Staff has identified six (6) areas for consideration. The City has made significant progress with respect to implementing the comprehensive plan with many of the Early Action items (pages 132-134) having been accomplished. Nonetheless, there remains a great deal of work to do in order to further implement the larger goals of the plan and other topics of interest. Staff will present this information to facilitate the discussion.
