RE: Cancellation of the EDC's May 18th Meeting

The Economic Development Commission meeting scheduled for Tuesday, May 18th has been postponed. The City has not received the Sales Tax Information Reports from St. Louis County. Once we receive the reports we will work with the Chairperson to schedule a meeting to discuss this issue. We are disappointed that the information has not been submitted as of this date. The Finance Department will continue to aggressively pursue acquisition of this material.

Should you have any questions, please feel free to contact me at 872-2551.
